(57) **CLAIM**

The ornamental design for a writing instrument, as shown
and described.

DESCRIPTION

FIG. 1 is a front side elevational view of the writing
instrument of this invention, the rear side elevational view
being a mirror image thereof;

FIG. 2 is a right side elevational view of the writing
instrument of this invention;

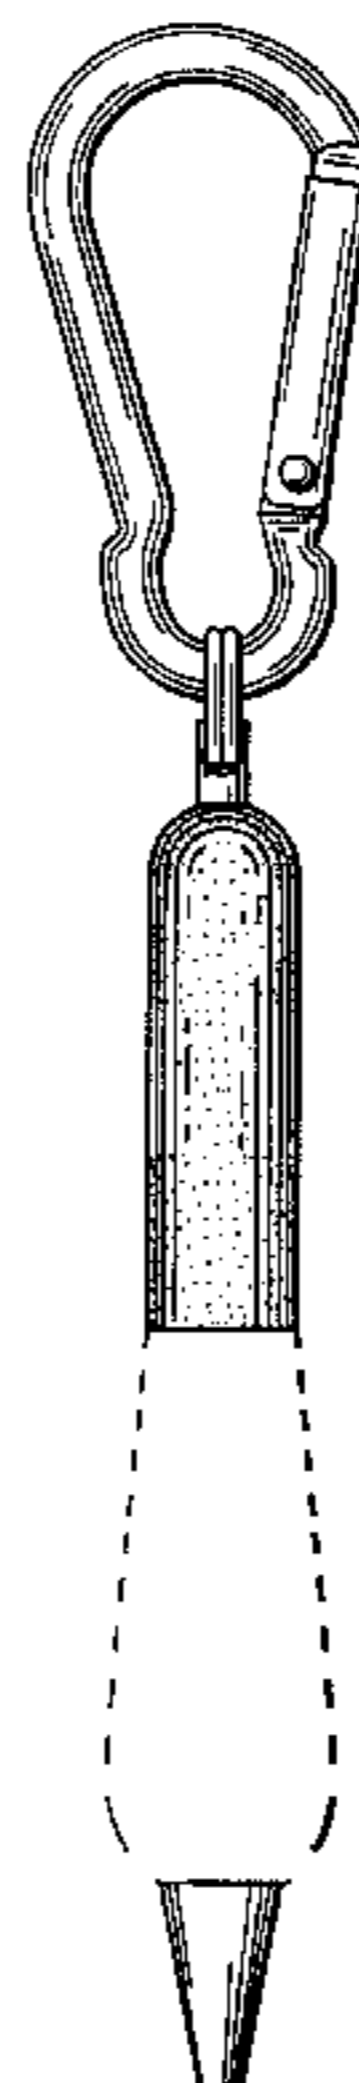

FIG. 3 is a left side elevational view of the writing instru-
ment of this invention;

FIG. 4 is a bottom plan view of the writing instrument of this
invention; and,

FIG. 5 is a top plan view of the writing instrument of this
invention.

The portions of the writing instrument depicted by means of
broken lines have been shown for illustrative purposes only
and form no part of the claimed design.
