(57) **CLAIM**

The ornamental design for a surface configuration of a control panel for a vehicle, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a surface configuration of a control panel for a vehicle according to our novel design; and, FIG. 2 is a perspective view of the surface configuration of a control panel for a vehicle according to our novel design. The dash lines included in the drawings depict environment and are not part of the claimed design.
