(57) **CLAIM**

The ornamental design for the sit-in toy vehicle, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the inventive sit-in toy vehicle taken from the right front, and slightly above the vehicle, also showing the steering wheel hub detail, detached and located near the right rear of the vehicle.

FIG. 2 is a front view, from slightly above, the inventive vehicle.

FIG. 3 is a rear view, from slight above, the inventive vehicle.

FIG. 4 is a right side view, from slightly above, the inventive vehicle. The opposite, left side is a mirror image of this right side.

FIG. 5 is a top view of the inventive vehicle; and,

FIG. 6 is a perspective view of the inventive vehicle taken from the right rear, and slightly above, the vehicle, additionally showing an attached push/guidance handle, and the rotably extended foot step.
