(57) **CLAIM**

The ornamental design for a wainscot section, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a wainscot section showing our new design;

FIG. 2 is a fragmentary front elevational view thereof, to an enlarged scale;

FIG. 3 is a fragmentary isometric view thereof from the top, front and one side, partially in section and to an enlarged scale;

FIG. 4 is a top plan view thereof, to an enlarged scale;

FIG. 5 is a bottom plan view thereof, to an enlarged scale; and,

FIG. 6 is an exploded side elevational view from the one side, to an enlarged scale, the other side being a mirror image thereof.

The rear is flat and unornamented and forms no part of the claimed design.

The stipling in FIG. 1 is for contrast only; it indicates an environment of use only and forms no part of the claimed design.

The three pairs of wavy horizontal lines in each of FIGS. 2, 3 and 6 are to show indeterminate height.
