(57) **CLAIM**

The ornamental design for a car wash entry station, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a car wash entry station embodying the present invention;

FIG. 2 is a top view of the car wash entry station;

FIG. 3 is a bottom view of the car wash entry station;

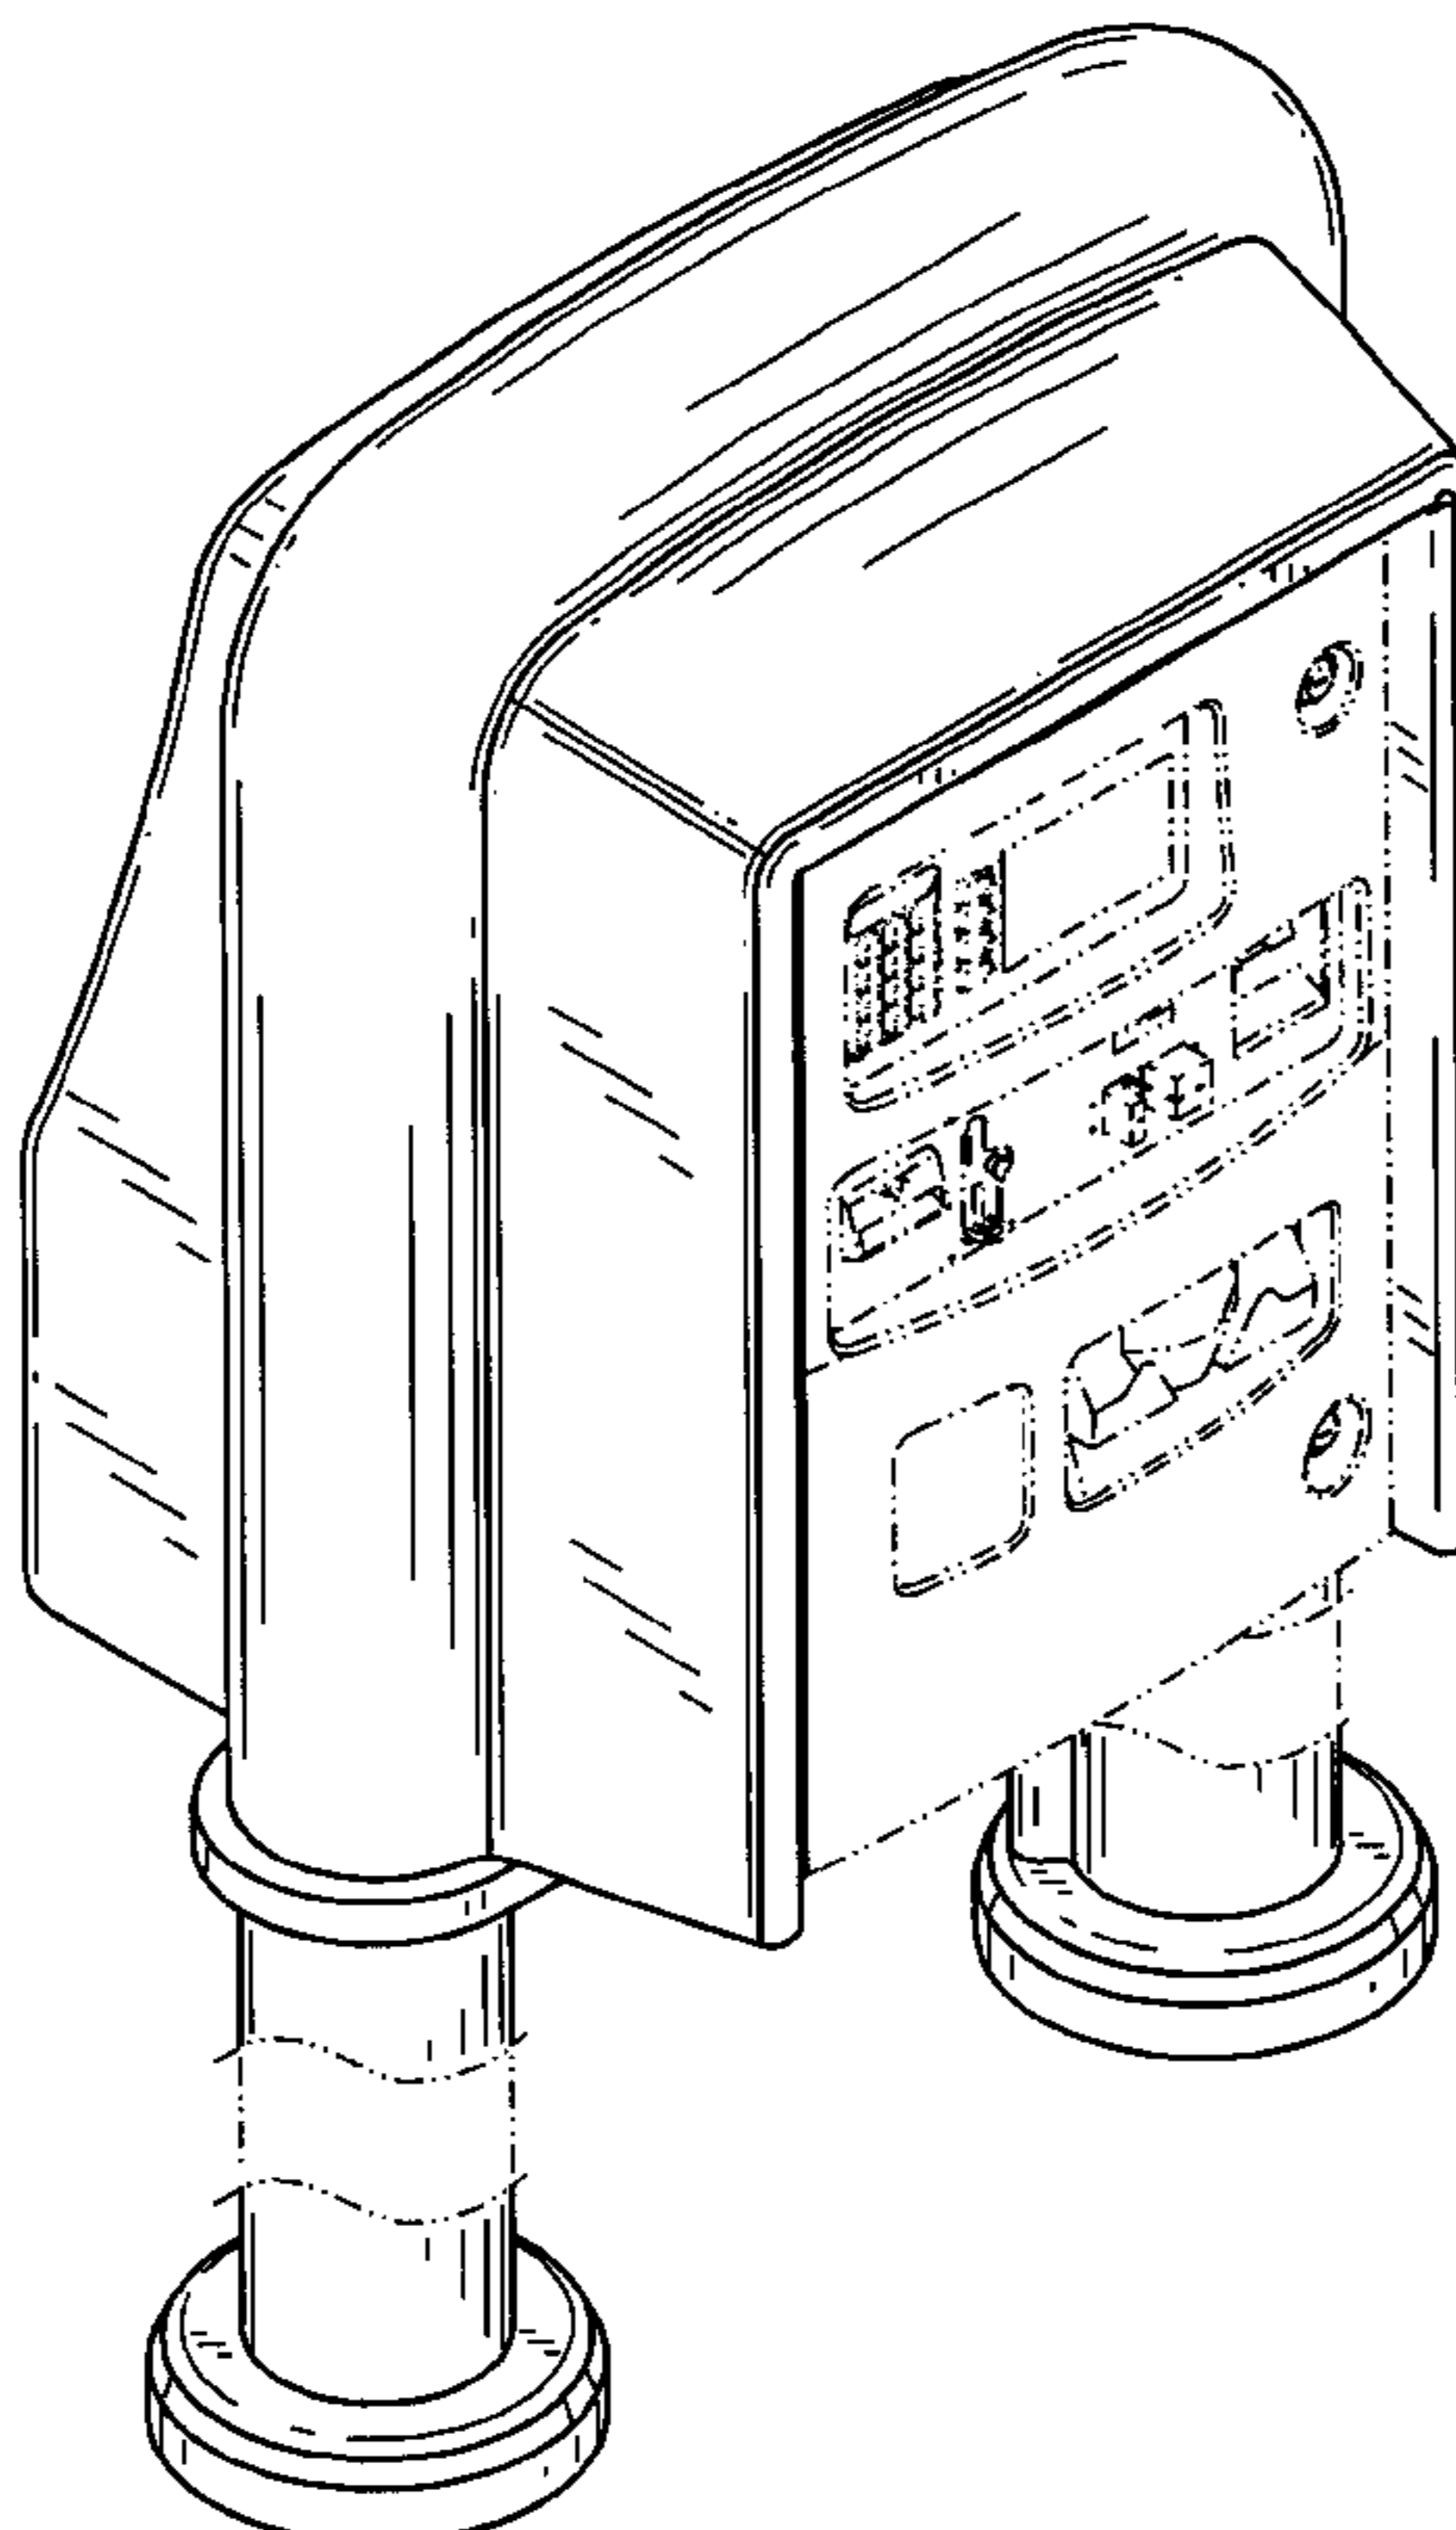

FIG. 4 is a front view of the car wash entry station;

FIG. 5 is a right side view of the car wash entry station, wherein the left side view is a mirror image thereof; and,

FIG. 6 is a back view of the car wash entry station.

The broken lines shown in the drawings depict environmental structure and form no part of the claimed design.
