(57) **CLAIM**

The ornamental design for a baby bib with pocket, as shown.

**DESCRIPTION**

FIG. 1 is a perspective view of a baby bib showing my new design; the broken rectangular outlines being understood to represent stitching, and the alternating long and short lines on the sides of the pockets being understood to represent creases.

FIG. 2 is a perspective view thereof, with the front flap folded down; and,

FIG. 3 is a perspective view thereof shown in use; the broken lines partially showing a table illustrates the use of the design, but forms no part of the claim.
