(57) **CLAIM**

I claim the ornamental design for the key holder, as shown and described.

DESCRIPTION

The present design relates to a key holder designed to facilitate the insertion and removal of conventional keys while maintaining a respectable key retention aspect.

FIG. 1 is a perspective view from above of the key holder of the present design. The broken line showing the key is for illustrative purposes only and forms no part of the claimed design.

FIG. 2 is a top plan view of the key holder of the present design.

FIG. 3 is a bottom plan view of the key holder of the present design.

FIG. 4 is a front elevation view of the key holder of the present design.

FIG. 5 is a bottom plan view of the key holder of the present design.

FIG. 6 is a left side elevation view of the key holder of the present design; and,

FIG. 7 is a right side elevation view of the key holder of the present design.
