(57) **CLAIM**

I claim the ornamental design for a holder for drill bits and the like, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first variant of a holder for drill bits and the like.

FIG. 2 is a top plan view of the first variant of the holder for drill bits and the like.

FIG. 3 is a side view of the first variant of the holder for drill bits and the like, seen from a latch side.

FIG. 4 is a front view of the first variant of the holder for drill bits and the like.

FIG. 5 is a bottom plan view of the first variant of the holder for drill bits and the like.

FIG. 6 is a side view of the first variant of the holder for drill bits and the like, seen from a hinge side.

FIG. 7 is a back view of the first variant of the holder for drill bits and the like.

FIG. 8 is a perspective view of a second variant of a holder for drill bits and the like.

FIG. 9 is a top plan view of the second variant of the holder for drill bits and the like.

FIG. 10 is a side view of the second variant of the holder for drill bits and the like, seen from a latch side.

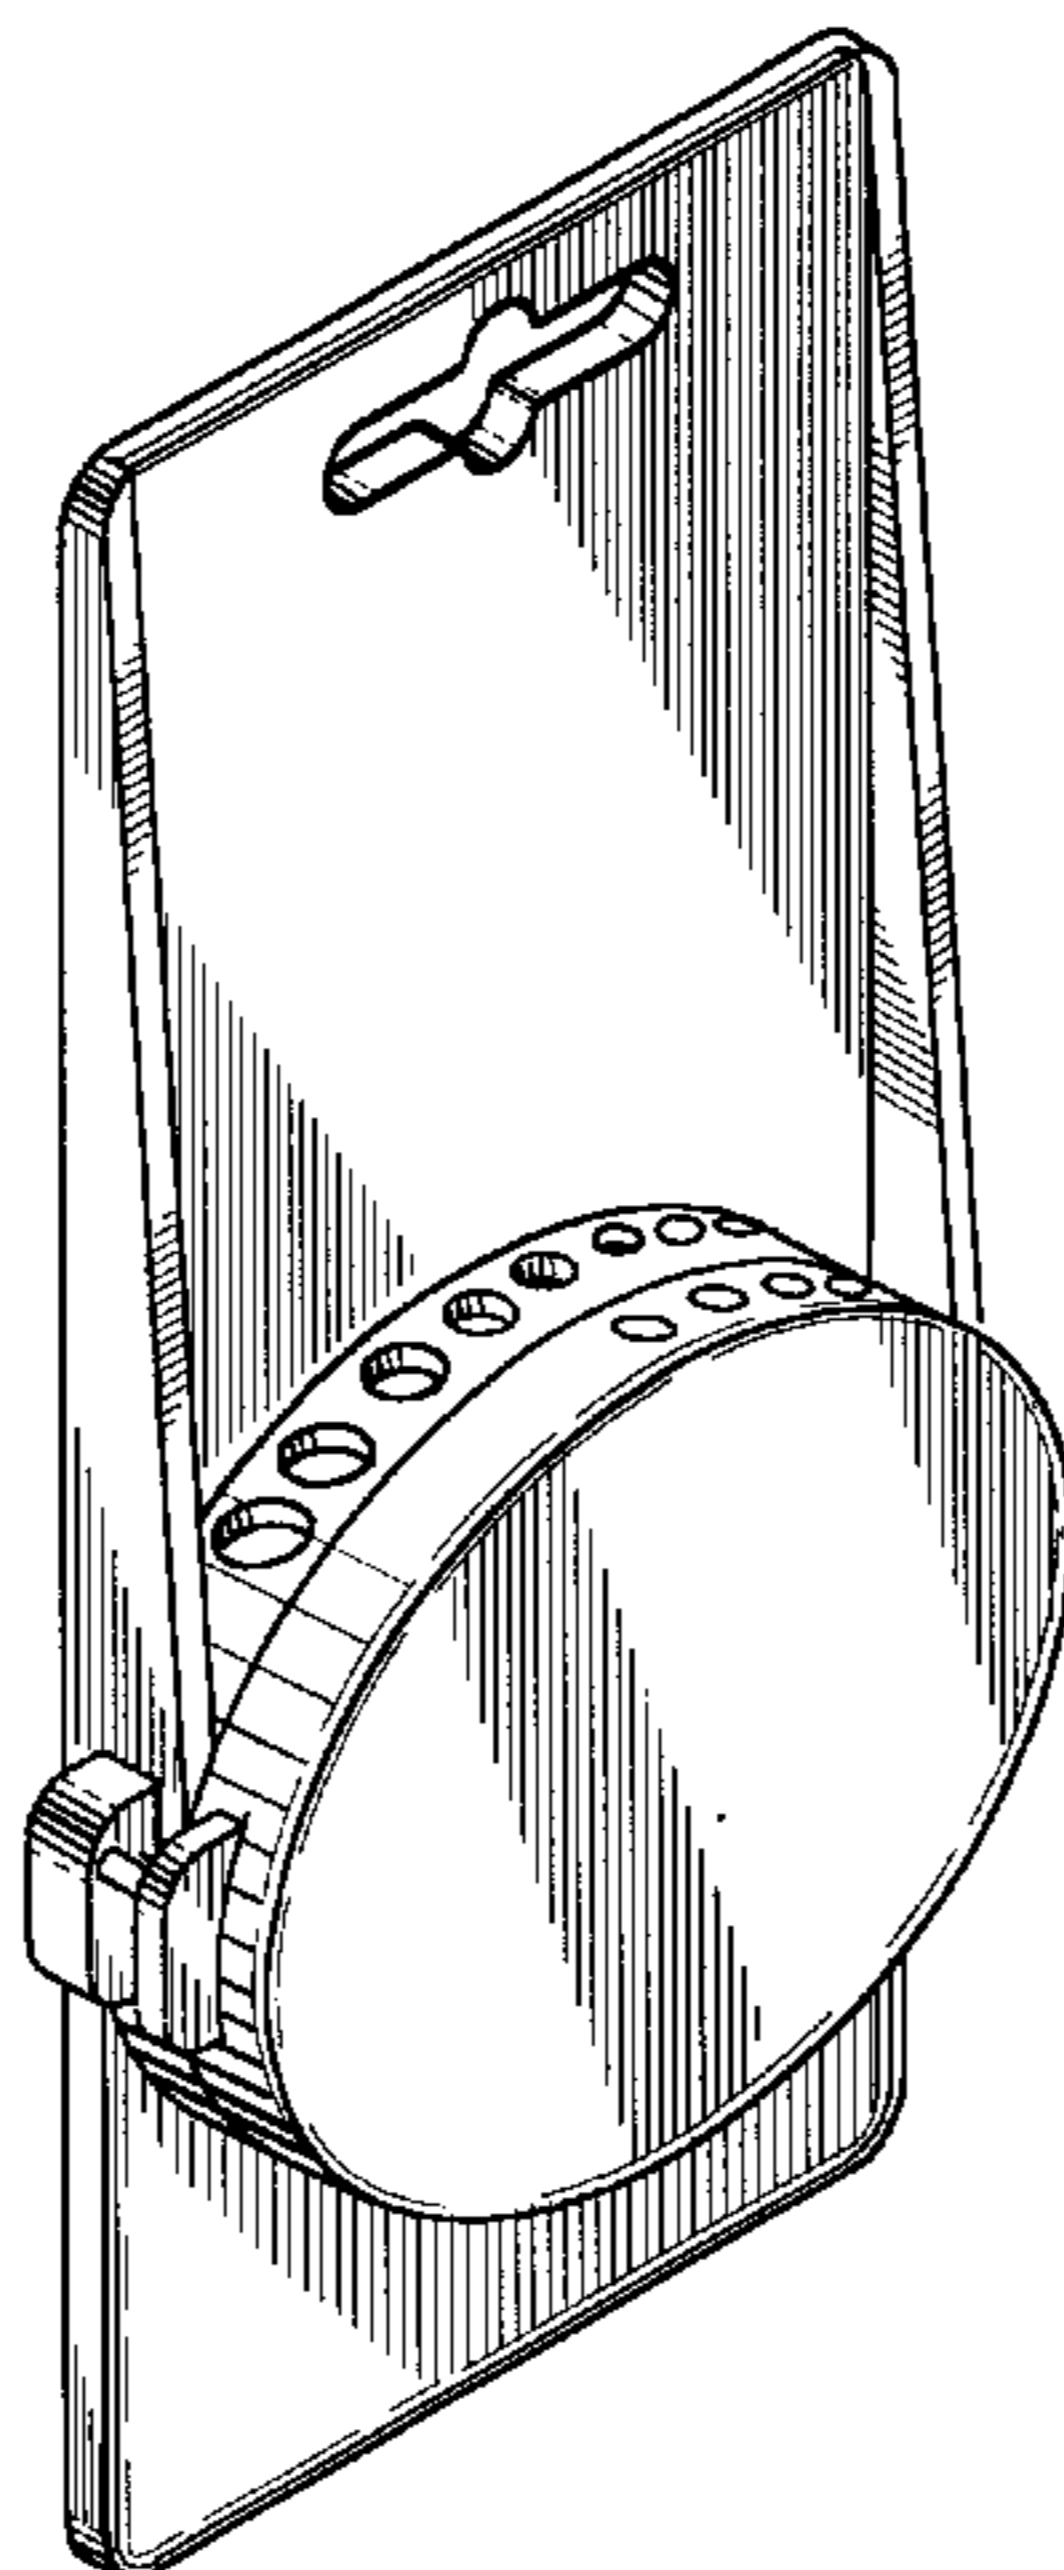

FIG. 11 is a front view of the second variant of the holder for drill bits and the like.

FIG. 12 is a bottom plan view of the second variant of the holder for drill bits and the like.

FIG. 13 is a side view of the second variant of the holder for drill bits and the like, seen from a hinge side; and,

FIG. 14 is a back view of the second variant of the holder for drill bits and the like.
