(57) **CLAIM**

The ornamental design for an AC transformer, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of the AC transformer showing my new design, the broken lines showing a portion of an electrical cord for ease of illustration and for illustration purposes only and forming no part of the invention; FIG. 2 is an enlarged top view thereof; FIG. 3 is a bottom view thereof; FIG. 4 is a left elevational view thereof; FIG. 5 is a right elevational view thereof; FIG. 6 is a front view thereof; FIG. 7 is a rear view thereof; and, FIG. 8 is a reduced scale front perspective view of the AC transformer of FIG. 1 with the electrical cord shown in broken lines and being in a wrapped condition for illustration purposes only and forming no part of the invention.
