(57) **CLAIM**

The ornamental design for a flexible beverage pouch with fitment and contoured waist, as shown and described.

DESCRIPTION

FIG. 1 is a forward perspective view of my design of a side gusseted flexible beverage pouch with shaped body illustrating the characteristic features of the design which resides in its shape together with having an opaque upper portion and transparent lower portion on both the front, back, left and right sides of the pouch;

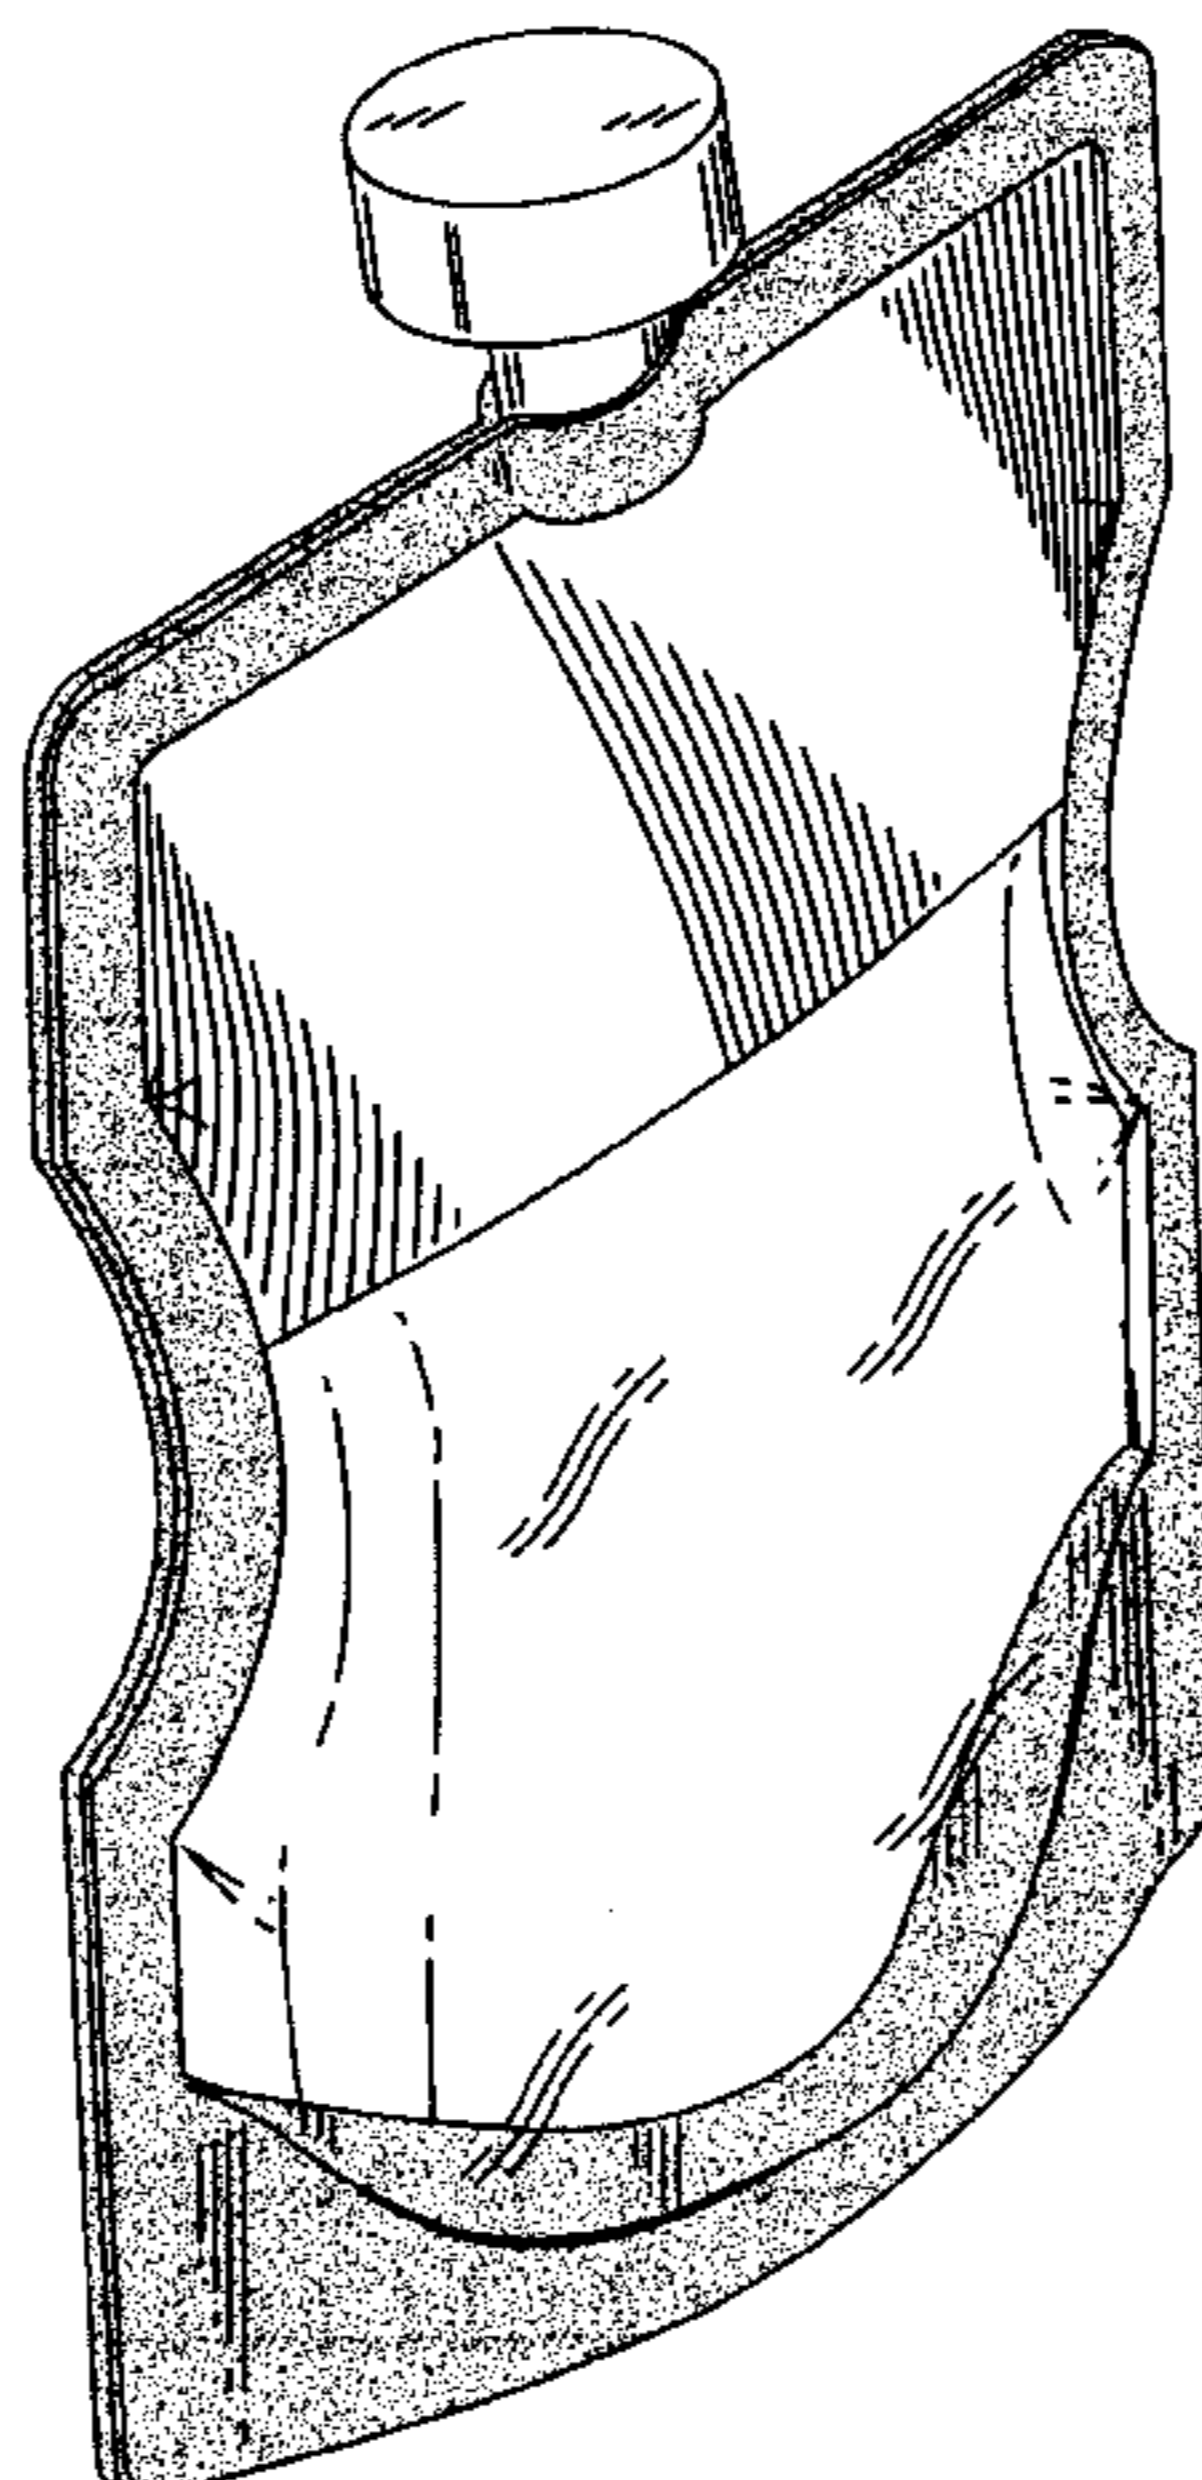

FIG. 2 is a front elevational view thereof, the rear view being identical;

FIG. 3 is a left side elevational view thereof, the right side elevational view being identical;

FIG. 4 is a bottom view thereof; and,

FIG. 5 is a top view thereof.
