(57) **CLAIM**

I claim the ornamental design for a computer-generated content display panel for a portion of a display screen of an electronic display device, or the like, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a computer-generated content display panel for a portion of a display screen of an electronic display device or the like; and, FIG. 2 is a front view of a second embodiment thereof. The broken line drawings of a portion of a display screen and the words in both figure views are for illustrative purposes only and form no part of the claimed design.
