(57) CLAIM

The ornamental design for an audio and video accessory for an electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the audio and video accessory for an electronic device according to the present invention.

FIG. 2 is a rear view of the audio and video accessory for an electronic device of FIG. 1.

FIG. 3 is a bottom view of the audio and video accessory for an electronic device of FIG. 1.

FIG. 4 is a top view of the audio and video accessory for an electronic device of FIG. 1.

FIG. 5 is a left side view of the audio and video accessory for an electronic device of FIG. 1.

FIG. 6 is a right side view of the audio and video accessory for an electronic device of FIG. 1; and,

FIG. 7 is a front and left perspective view of the audio and video accessory for an electronic device according to the present invention.

The broken line showing on FIGS. 1–7 is for illustrative purposes only and forms no part of the claimed design.
