(57) **CLAIM**

I claim the ornamental design for a link for a security chain,
as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a link for a security chain according to a preferred embodiment of my new design; FIG. 2 is a front elevational view of the link for a security chain of FIG. 1; FIG. 3 is a rear elevational view of the link for a security chain of FIG. 1; FIG. 4 is a top plan view of the link for a security chain of FIG. 1, the bottom plan view being the same; and, FIG. 5 is a right side elevational view of the link for a security chain of FIG. 1, the left side elevational view being a mirror image thereof.
