(57) **CLAIM**

The ornamental design for a vegetation trimmer with curved neck, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a vegetation trimmer with curved neck showing our new design; FIG. 2 is a right side elevational view thereof; FIG. 3 is a rear elevational view thereof; and, FIG. 4 is a top plan view thereof. A bottom view of the neck has not been presented because the neck is normally not viewed in this orientation. The broken lines shown in all drawings are for illustrative purposes only and form no part of the claimed design.

1 Claim, 2 Drawing Sheets

FIG. 1.
