(57) **CLAIM**

The ornamental design for a personal weighing scale, particularly a body fat scale, as shown and described.

DESCRIPTION

The FIGURE is a top, front and right side perspective view of a preferred embodiment of the design of the invention.

It will be understood that the Figure shows the personal weighing scale with text disposed above the display screen and four vertically spaced buttons, these features being shown for environmental purposes and forming no part of the claimed design.

1 Claim, 1 Drawing Sheet
