(57) CLAIM

I claim the ornamental design for a Christmas tree light assembly, as shown and described.

DESCRIPTION

FIG. 1 is a frontal perspective view of the Christmas tree light assembly.

FIG. 2 is a perspective view of the frame and light assembly illustrating the way in which the frame is folded for storage.

FIG. 3 is a detailed perspective view of the frame joints used to fold the frame; and,

FIG. 4 is a view of the assembly at night with the lights illuminated.
