(57) **CLAIM**

The ornamental design for a hand guard, as shown and  
described.

**DESCRIPTION**

FIG. 1 is a front side elevational view of a hand guard shown  
in position on a rifle embodying the invention, the rear side  
elevational view being a mirror image of the front side  
elevational view presented.

FIG. 2 is a front side elevational view of a hand guard  
embodying the invention, the rear side elevational view  
being a mirror image of the front side elevational view  
presented.

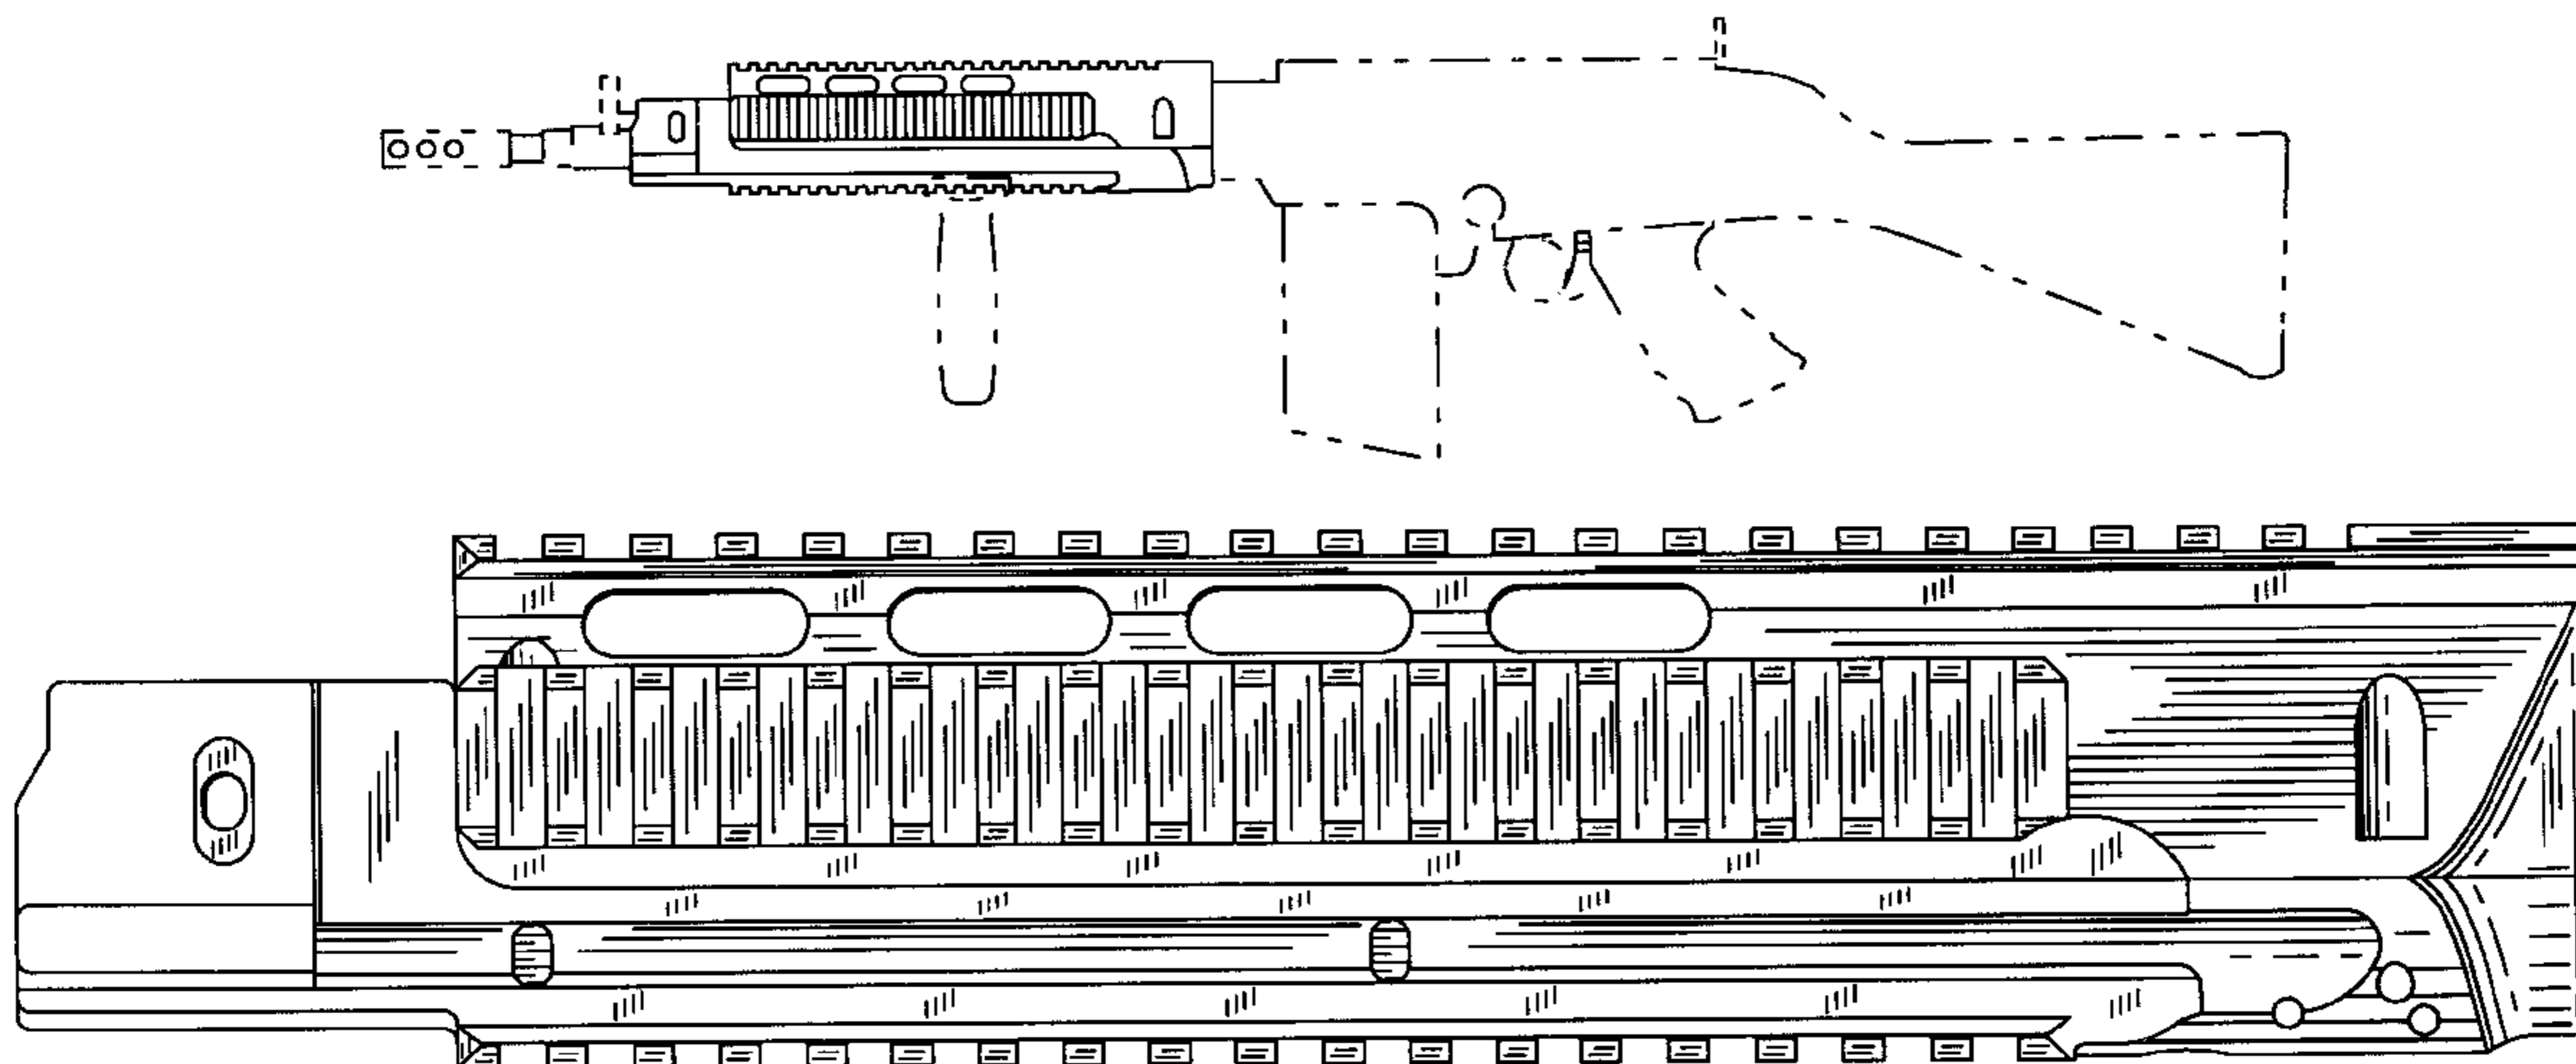

FIG. 3 is a left side elevational view of the hand guard  
embodying the invention.

FIG. 4 is a right side elevational view of the hand guard  
embodying the invention.

FIG. 5 is a top elevational view of a hand guard embodying  
the invention; and,

FIG. 6 is a bottom elevational view of a hand guard  
embodying the invention.
