(57) **CLAIM**

The ornamental design for the smooth-face surfacing plate with irregular internal structures, as shown and described.

DESCRIPTION

FIG. **1** is a top and front perspective view of a first embodiment of a smooth-face surfacing plate with irregular internal structures, showing my new design;

FIG. **2** is a side elevational view thereof;

FIG. **3** is a top, front and right side perspective view thereof;

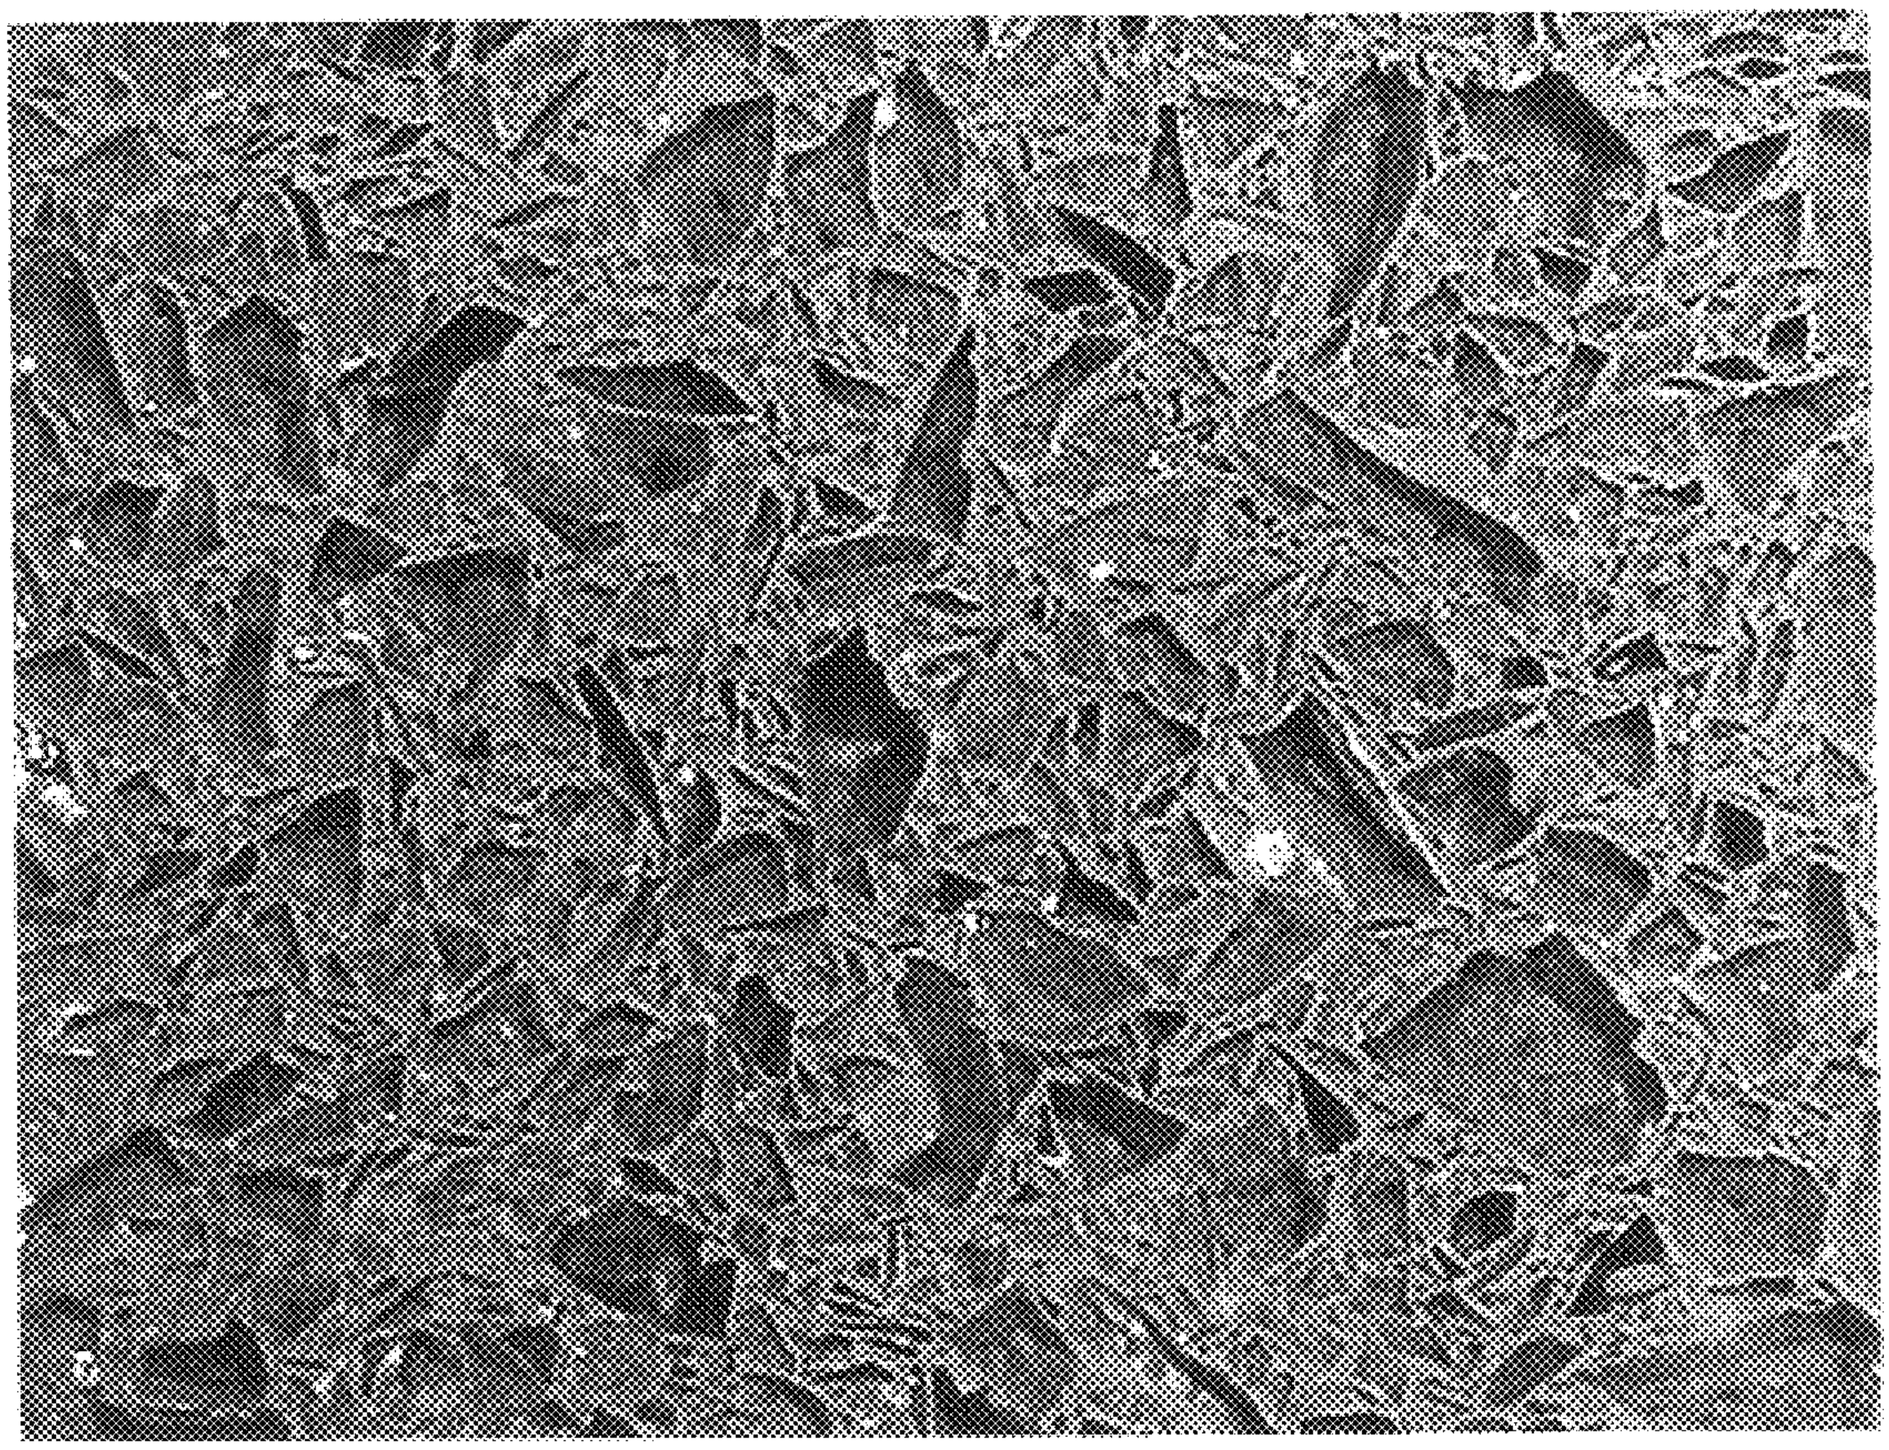

FIG. **4** is a partial plan view thereof, on a larger scale;

FIG. **5** is a top and front perspective view of a second embodiment of a smooth-face surfacing plate with irregular internal structures, showing my new design; and,

FIG. **6** is a top, front and right side perspective view thereof.

The smooth-face surfacing plate with irregular internal structures has a transparent upper surface affording a view into cavities of different shapes, sizes and depths.
