(57) **CLAIM**

The ornamental design for an adhesive backed diaper packet, as shown and described.

DESCRIPTION

FIG. 1 is a front elevated view of an adhesive backed diaper packet showing my new design;

FIG. 2 is a back elevated view of the adhesive backed diaper packet;

FIG. 3 is a side elevated view of the adhesive backed diaper packet;

FIG. 4 is a top plan view of the adhesive backed diaper packet; and,

FIG. 5 is a bottom plan view of the adhesive backed diaper packet.

The broken line showing of the words “Peel & Stick” and “Stick Here to Seal” is for illustrative purposes only and forms no part of the claimed design.

1 Claim, 3 Drawing Sheets

The drawing shows a rectangular adhesive-backed diaper packet. At the top, a horizontal strip contains the text "PEEL & STICK" in a stylized font. Below this, a larger rectangular area is defined by a double-line border. Inside this area, the text "STICK HERE TO SEAL" is printed at the top. The main body of the packet features a repeating pattern of three teddy bears, each accompanied by the letters "ABC" and the numbers "123". The bears are arranged in a staggered grid: one in the top-left, one in the top-right, one in the middle-left, one in the middle-right, one in the bottom-left, and one in the bottom-right. The letters "ABC" are positioned to the left of each bear, and the numbers "123" are positioned below each bear. The entire design is enclosed within a double-line rectangular border.
