(57) **CLAIM**

The ornamental design for a flower vase, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a first embodiment of a flower vase, showing my new design, the back elevational view being identical thereto;

FIG. 2 is a left side elevational view thereof, the right side elevational view being identical thereto;

FIG. 3 is a bottom view thereof;

FIG. 4 is a top view of a first embodiment;

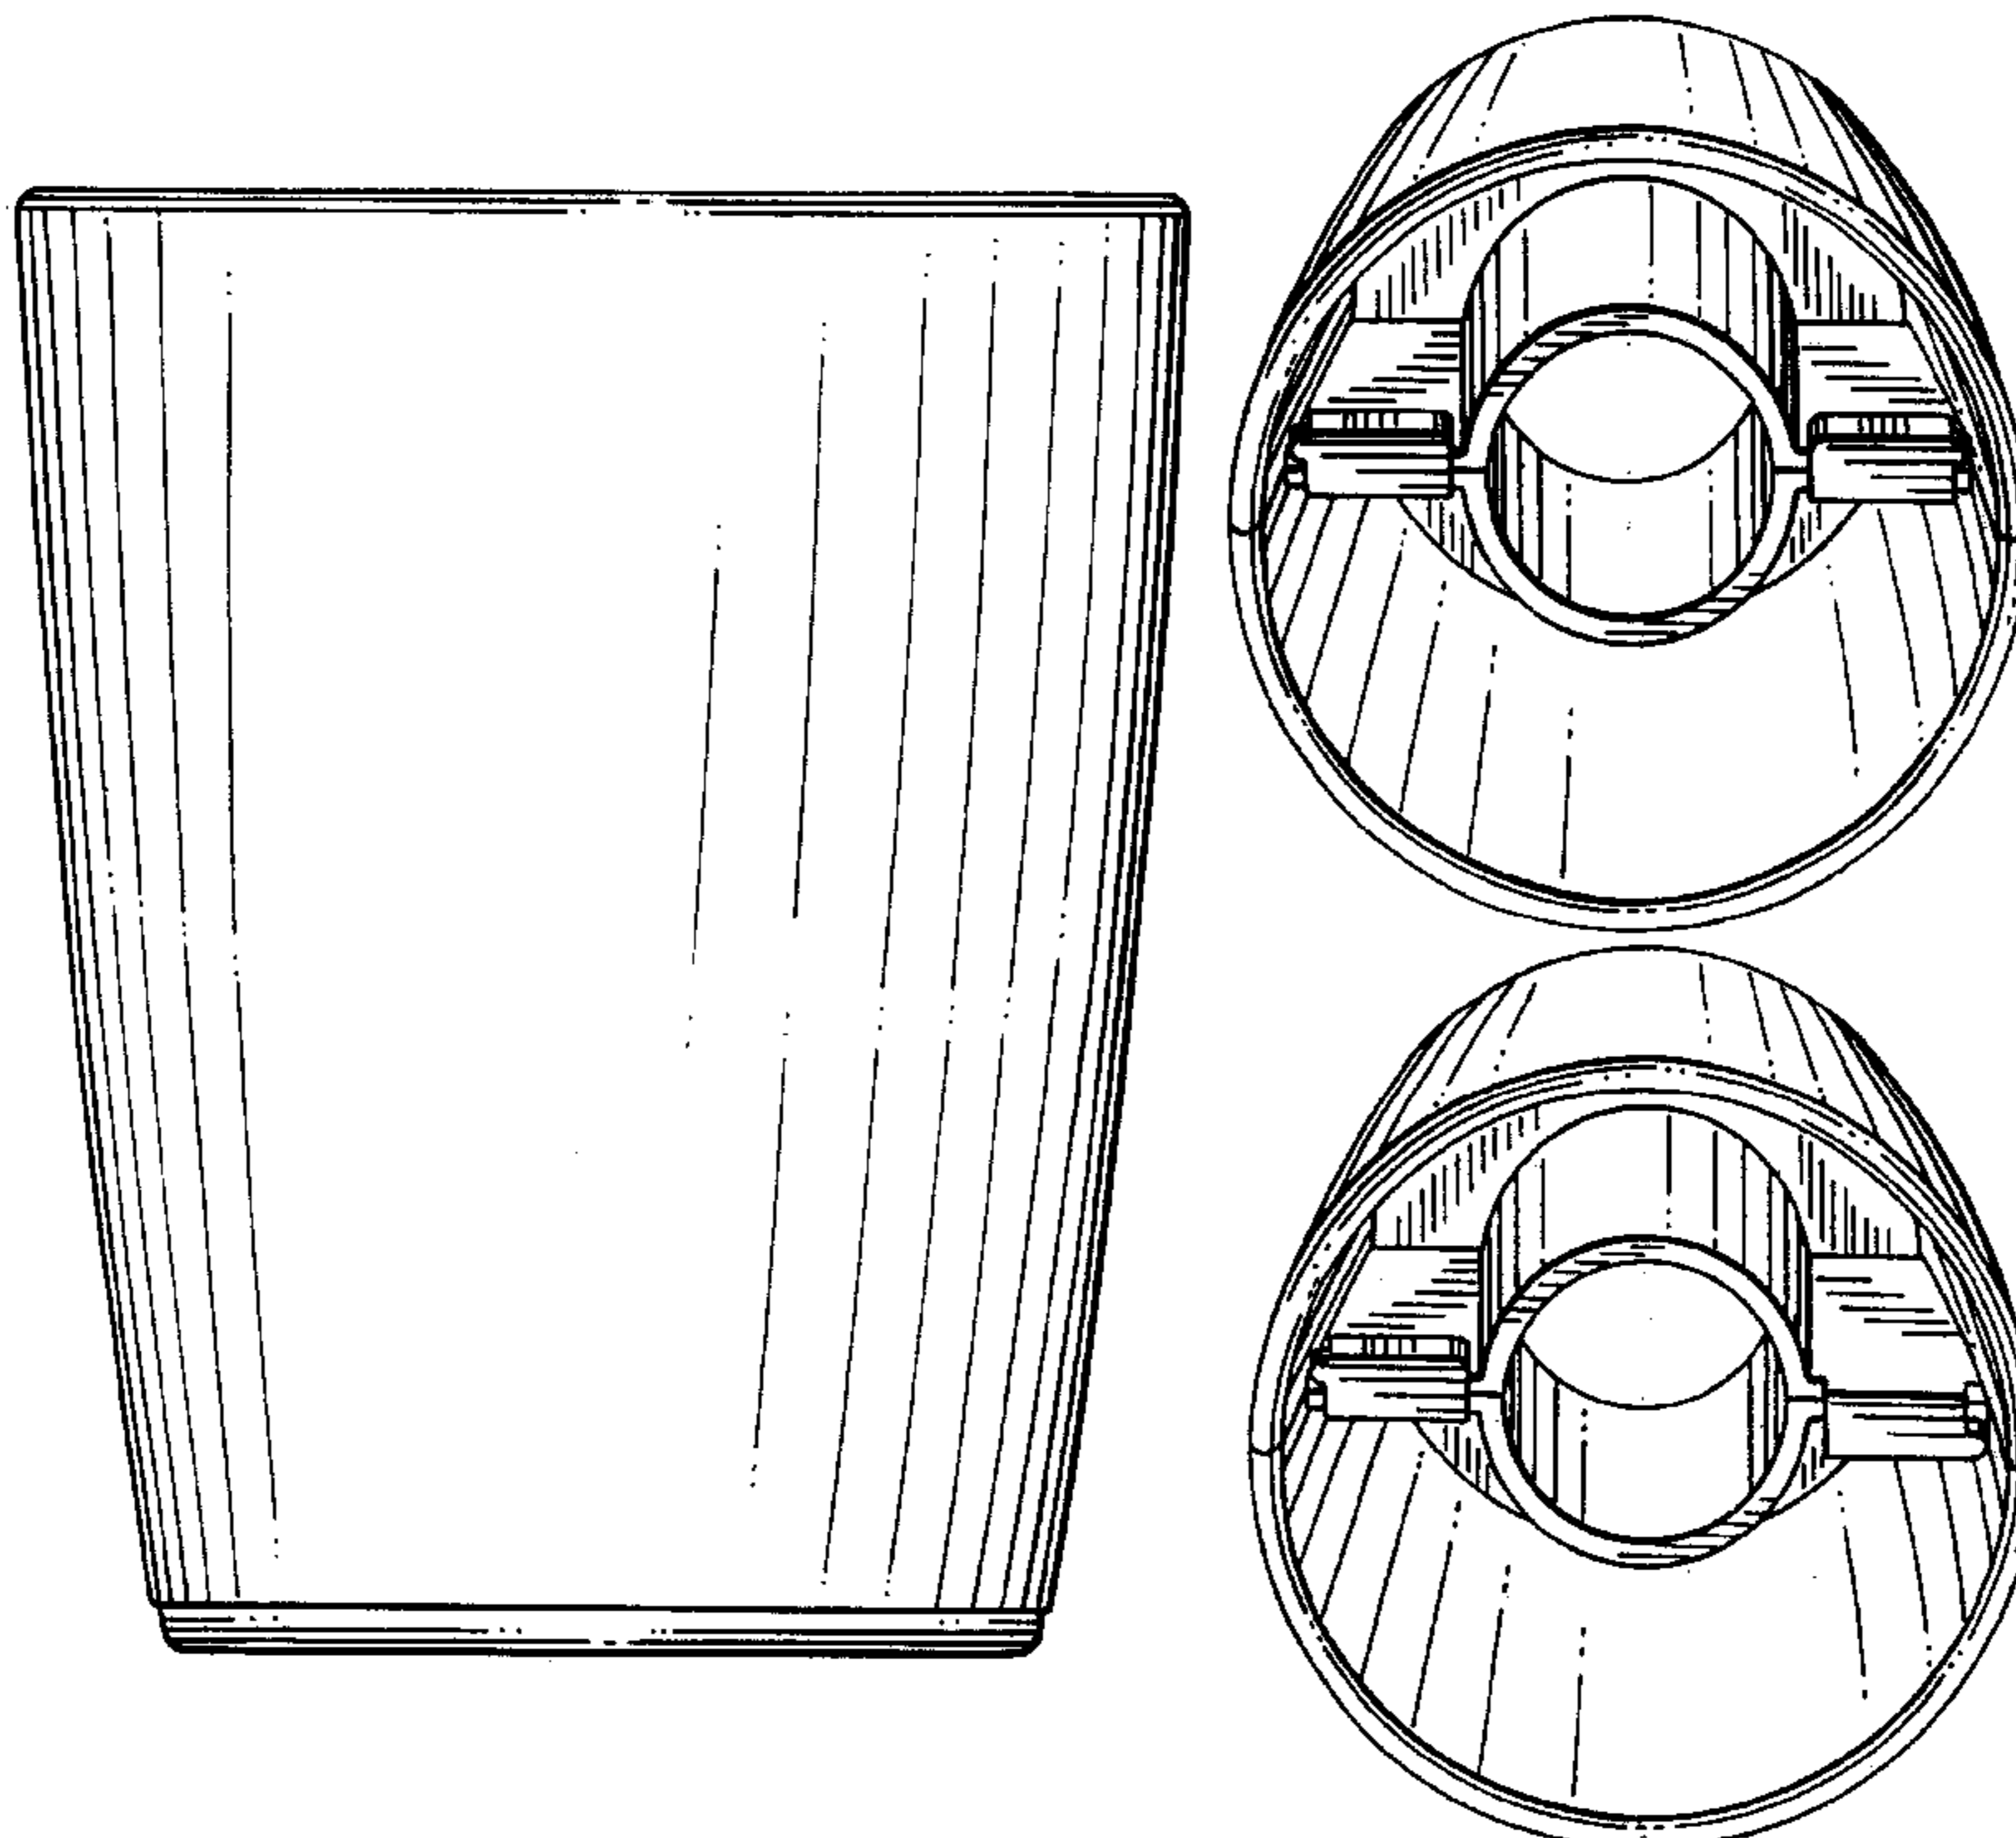

FIG. 5 is a first top perspective view of the first embodiment where a first side of the interior is seen;

FIG. 6 is a second top perspective view of the first embodiment where a second side of the interior is seen;

FIG. 7 is a top elevational view of a second embodiment with all views shown in FIGS. 1–3 being the same; and,

FIG. 8 is a top perspective view of the second embodiment where a first side of the interior is seen, a top perspective view of the second side of the interior being identical thereto.
