(57) **CLAIM**

The ornamental design for a financial transaction card, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view showing my new financial transaction card;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof; and,

FIG. 4 is a left side elevational view thereof.

The right side elevational view thereof is a mirror image of the left side elevational view.

The top and bottom edges are flat and unornamented.

The broken lines showing environment in the drawings are for illustrative purposes only and form no part of the claimed design.
