488, 489

FIG. 1 is an environmental perspective view of the first embodiment of a networking keyboard showing my new design;

FIG. 2 is an environmental top plan view thereof;

FIG. 3 is an environmental perspective view of the second embodiment thereof; and,

FIG. 4 is an environmental top plan view thereof.

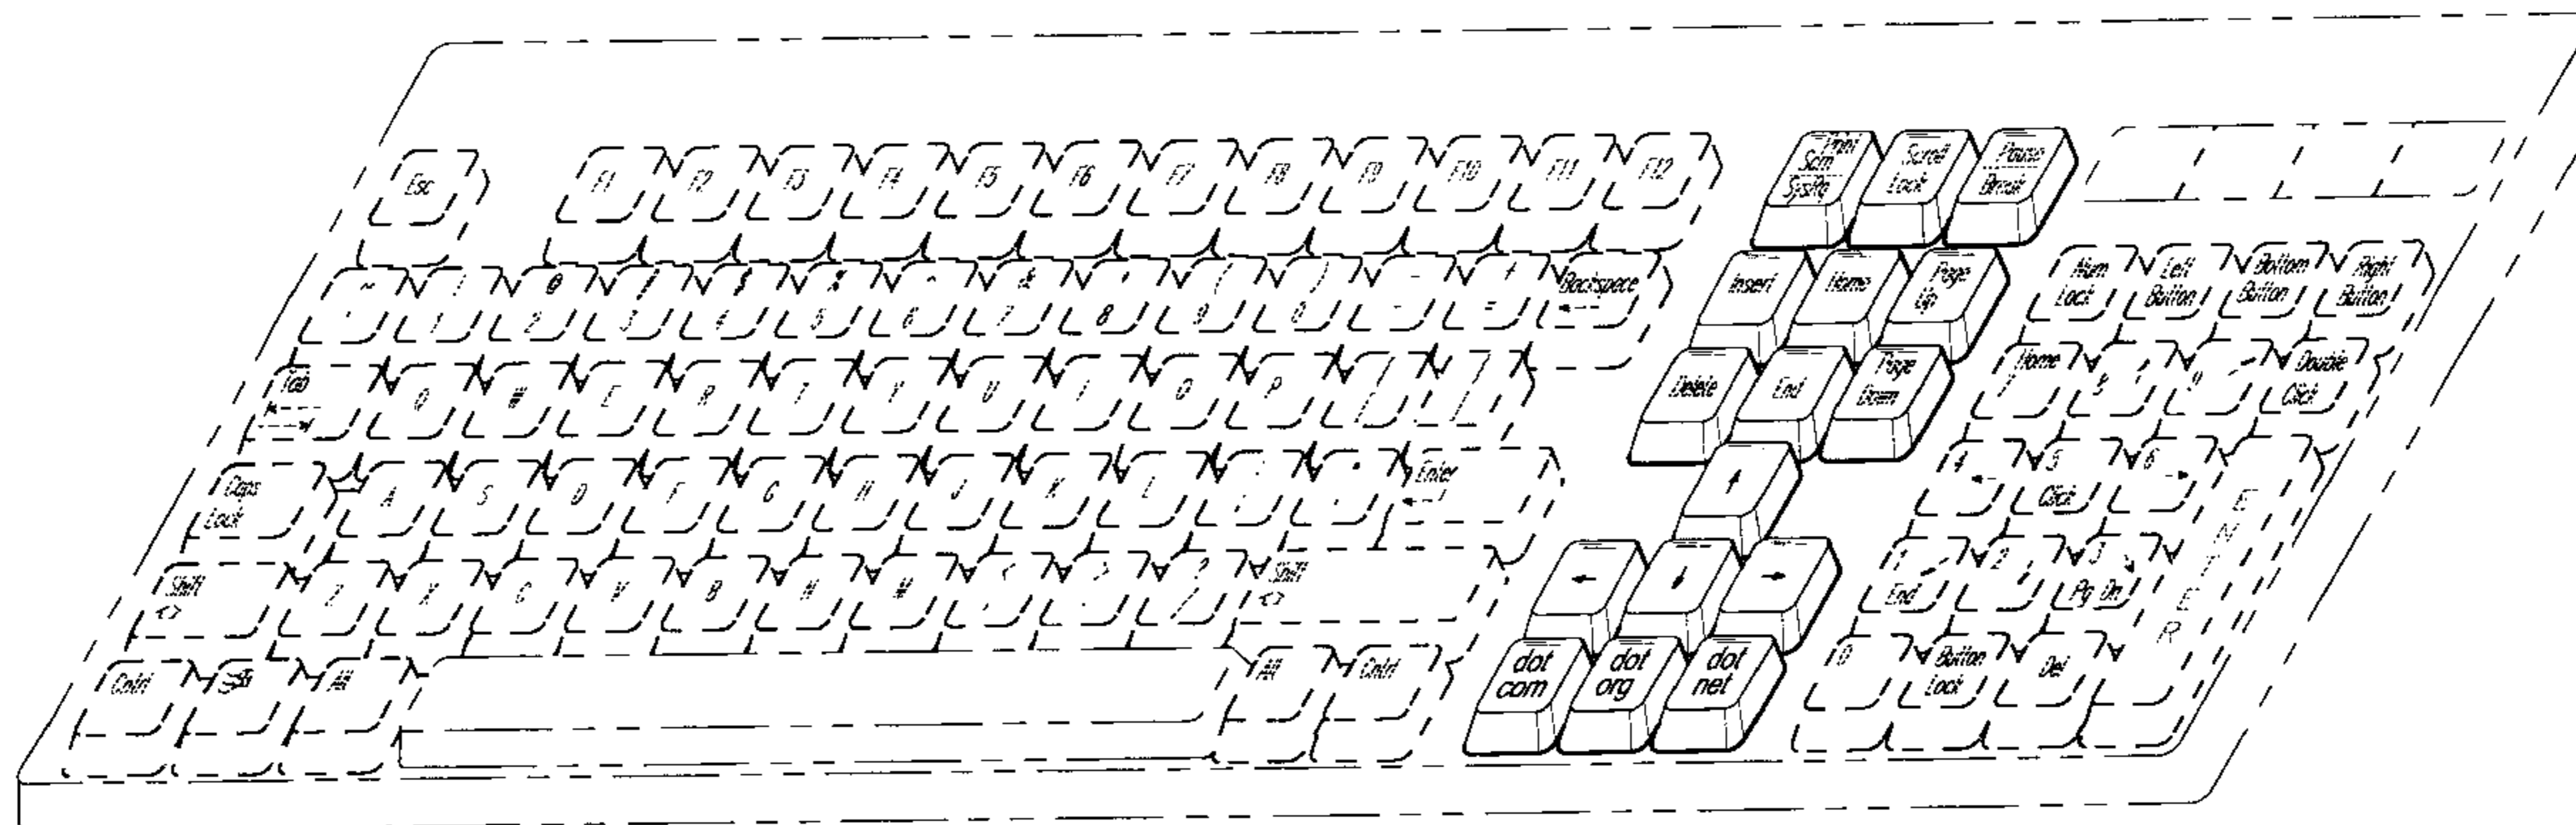

The broken line showing of the portion of the keyboard in FIGS. 1-4 is for illustrative purposes only, merely disclosing the types of keyboards which may be used with the present invention, and forms no part of the claimed design.
