(57) **CLAIM**

The ornamental design for a container for moist wipes, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a container for moist wipes showing our new design;

FIG. 2 is a front view thereof;

FIG. 3 is a rear view thereof;

FIG. 4 is a left side view thereof;

FIG. 5 is a right side view thereof; and,

FIG. 6 is a top view thereof.

The broken line showing of a division between parts and a hinge extending between the parts is for illustrative purposes only and forms no part of the claimed design. The unshown portion of the container including the bottom of the container forms no part of the claimed design.
