(57) **CLAIM**

The ornamental design for a portion of an audio component, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a portion of an audio component showing my new design. The boundaries of the claimed design is shown in full lines with appropriate shade lines. The broken line showing of the remainder of the audio component is for illustrative purposes only and forms no part of the claimed design.

1 Claim, 1 Drawing Sheet

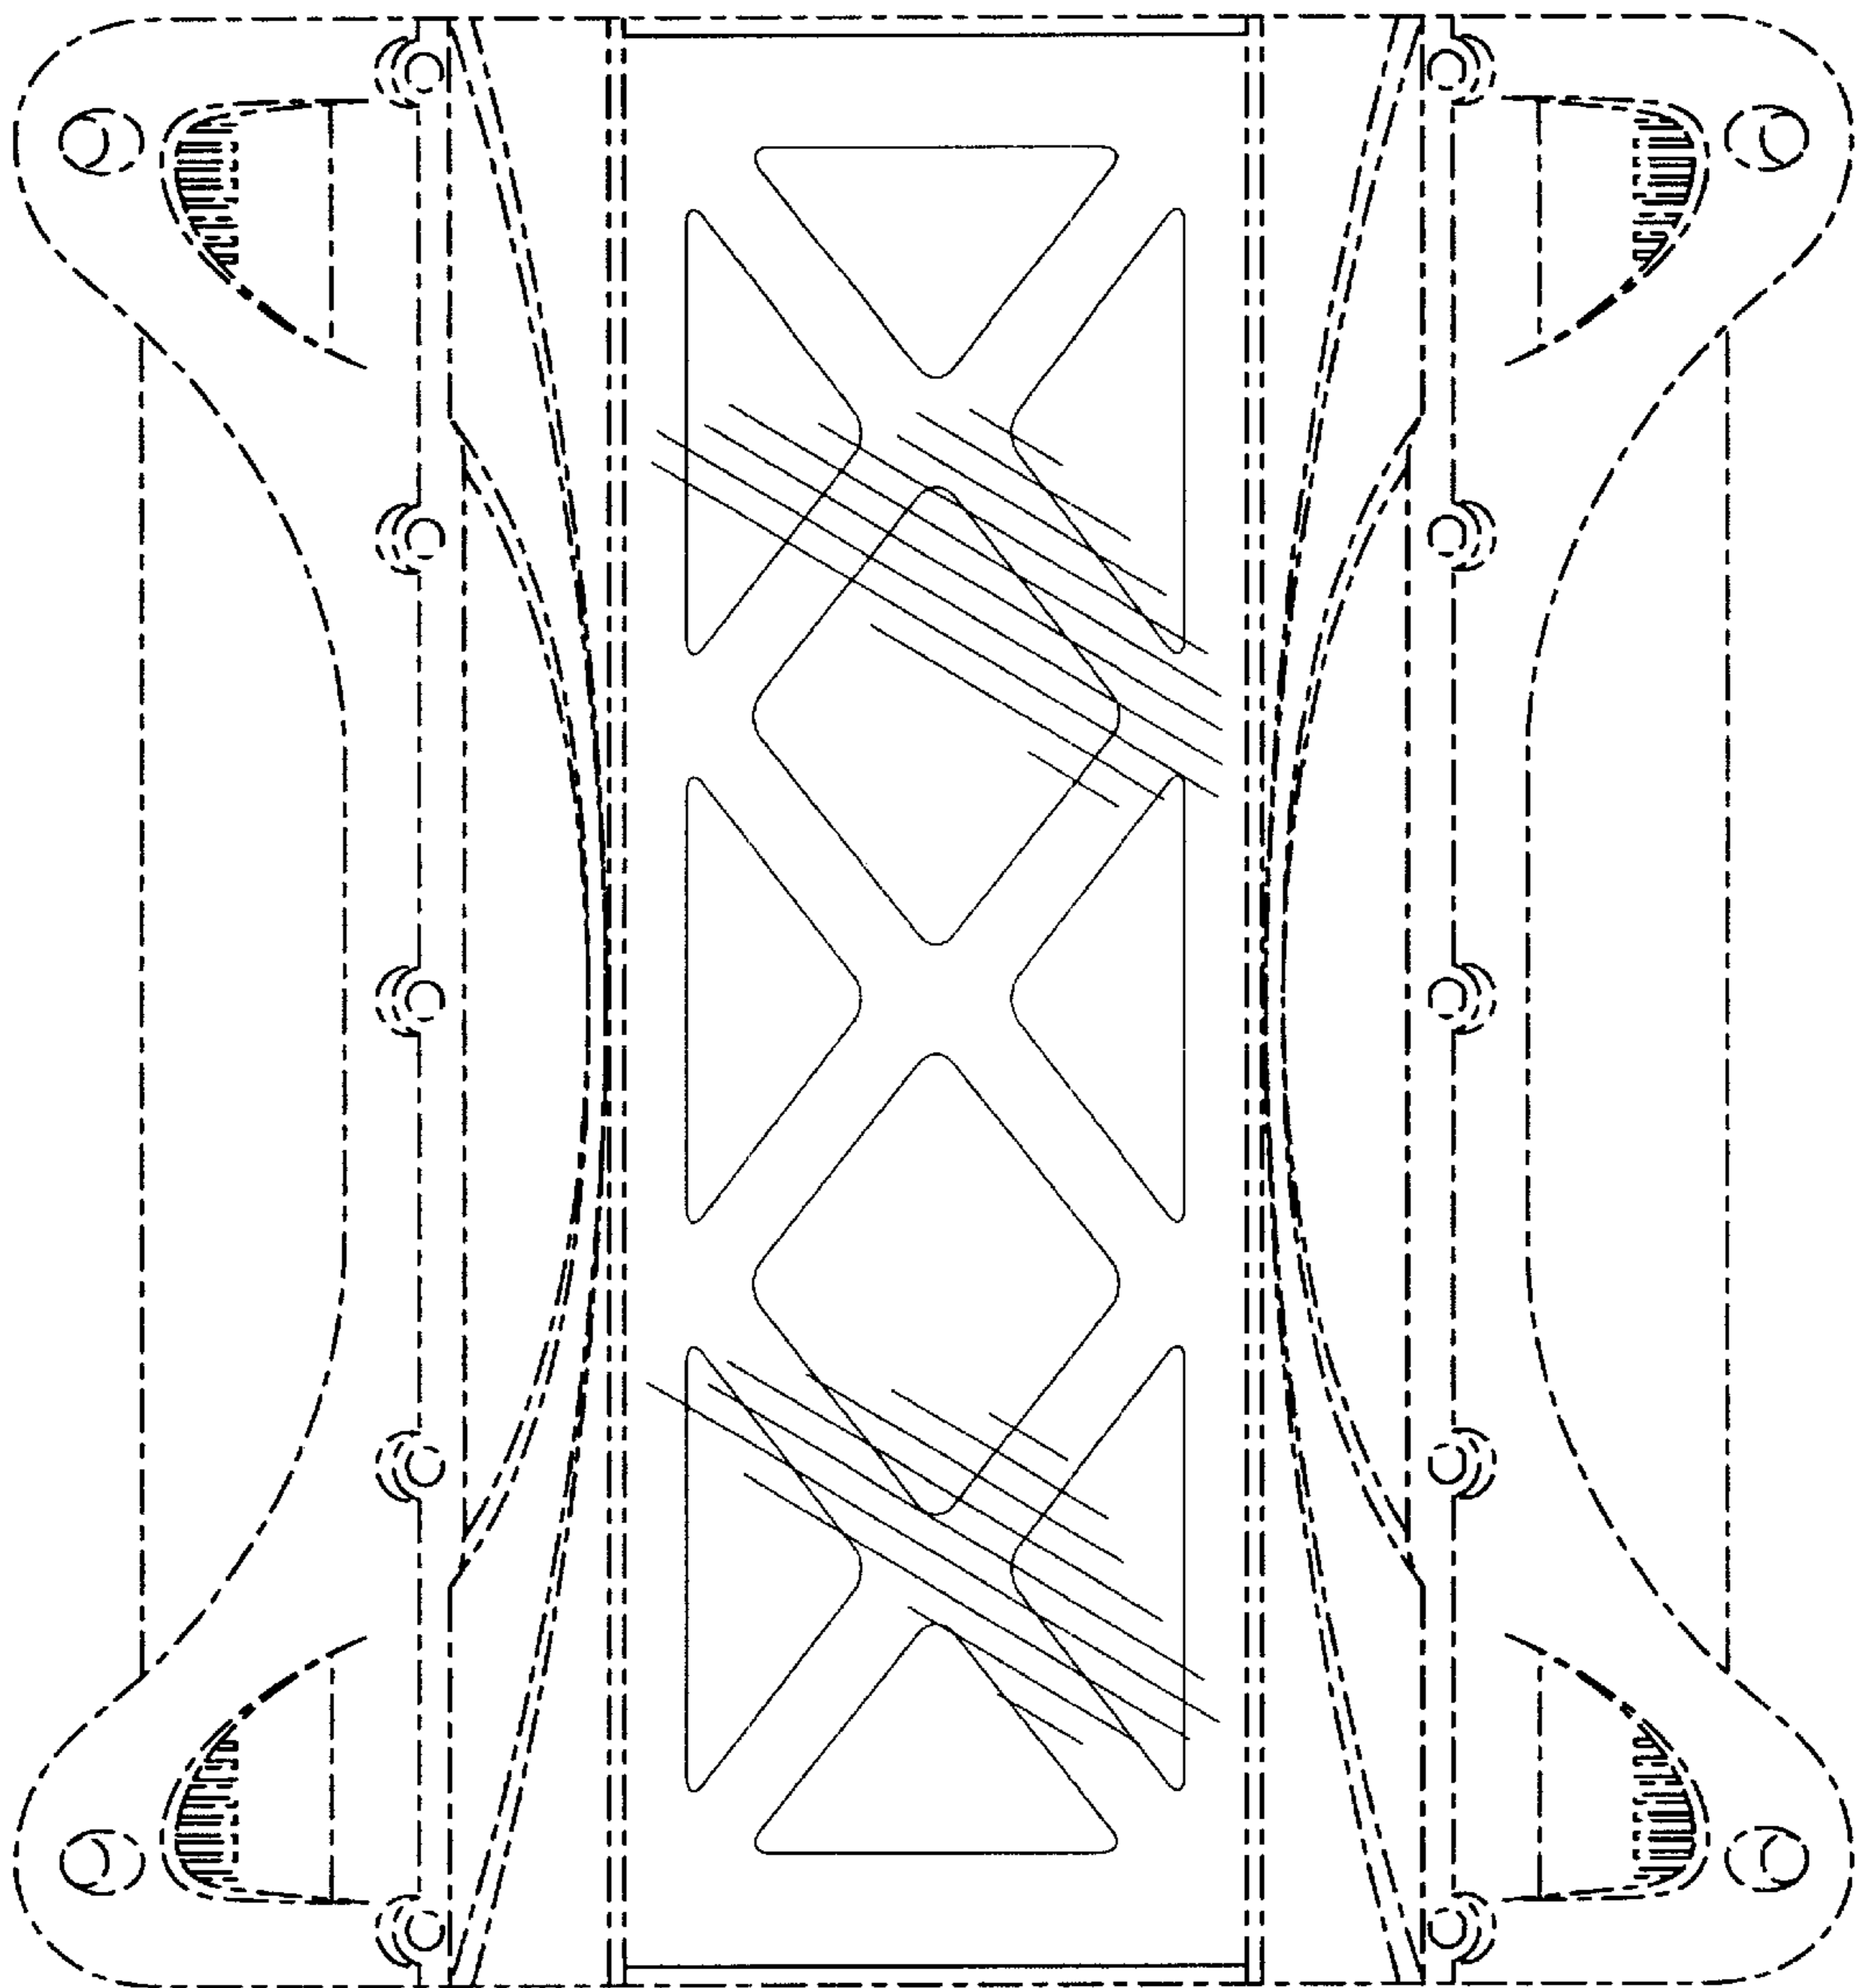

FIG. 1
