(57) **CLAIM**

The ornamental design for a dispensing head, as shown and described.

DESCRIPTION

The nature of this product is as a dispenser for liquids primarily used for cleaning and sanitizing solutions.

FIG. 1 is a right, rear, perspective view a dispensing head embodying our new design;

FIG. 2 is a right elevational view thereof, the left side elevational view thereof being a mirror image of the right side shown;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a front elevational view thereof; and,

FIG. 5 is a top plan view thereof.

The broken line showing of a bottle is for illustrative purposes only and forms no part of the claimed design.
