(57) **CLAIM**

The ornamental design for a connector for use in packing aerosol containers, as shown and described.

DESCRIPTION

The article is used to combine two aerosol cans for sale as a single unit.

FIG. 1 is an elevational view of the connector for use in packing aerosol containers showing my new design.

FIG. 2 is a top plan view of the connector;

FIG. 3 is a bottom plan view of the connector;

FIG. 4 is a perspective view looking at the top of the packaging connector;

FIG. 5 is a perspective view looking at the bottom of the connector;

FIG. 6 illustrates use of two packaging connectors of the invention to vertically stack three aerosol containers for sale as a single unit; and,

FIG. 7 illustrates the type of aerosol container with which the packaging connector is used.

The broken lines in the Figures are for illustrative purposes only and form no part of the claimed design.
