(57) **CLAIM**

The ornamental design for a office cleaning cart, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the office cleaning cart of the present invention;

FIG. 2 is a right side view of the office cleaning cart of the present invention, the left side being a mirror image thereof;

FIG. 3 is a front view of the office cleaning cart of the present invention;

FIG. 4 is a back view of the office cleaning cart of the present invention;

FIG. 5 is a top view of the office cleaning cart of the present invention; and,

FIG. 6 is a second perspective view of the office cleaning cart of the present invention, showing a refuse bag for use with the office cleaning cart in broken lines.

The bottom view is unornamented and is therefore not shown.

The broken line disclosure is for illustrative purposes only and forms no part of the claimed design.

The surface(s) or portion(s) of the article not shown in the drawings or described in the specification form(s) no part of the claimed design.
