(57) **CLAIM**

We claim the ornamental design for a model display case, as shown and described.

**DESCRIPTION**

FIG. 1 is a left front perspective view of the model display case, showing my design.

FIG. 2 is a front elevational view thereof, the rear view being similar to the front view.

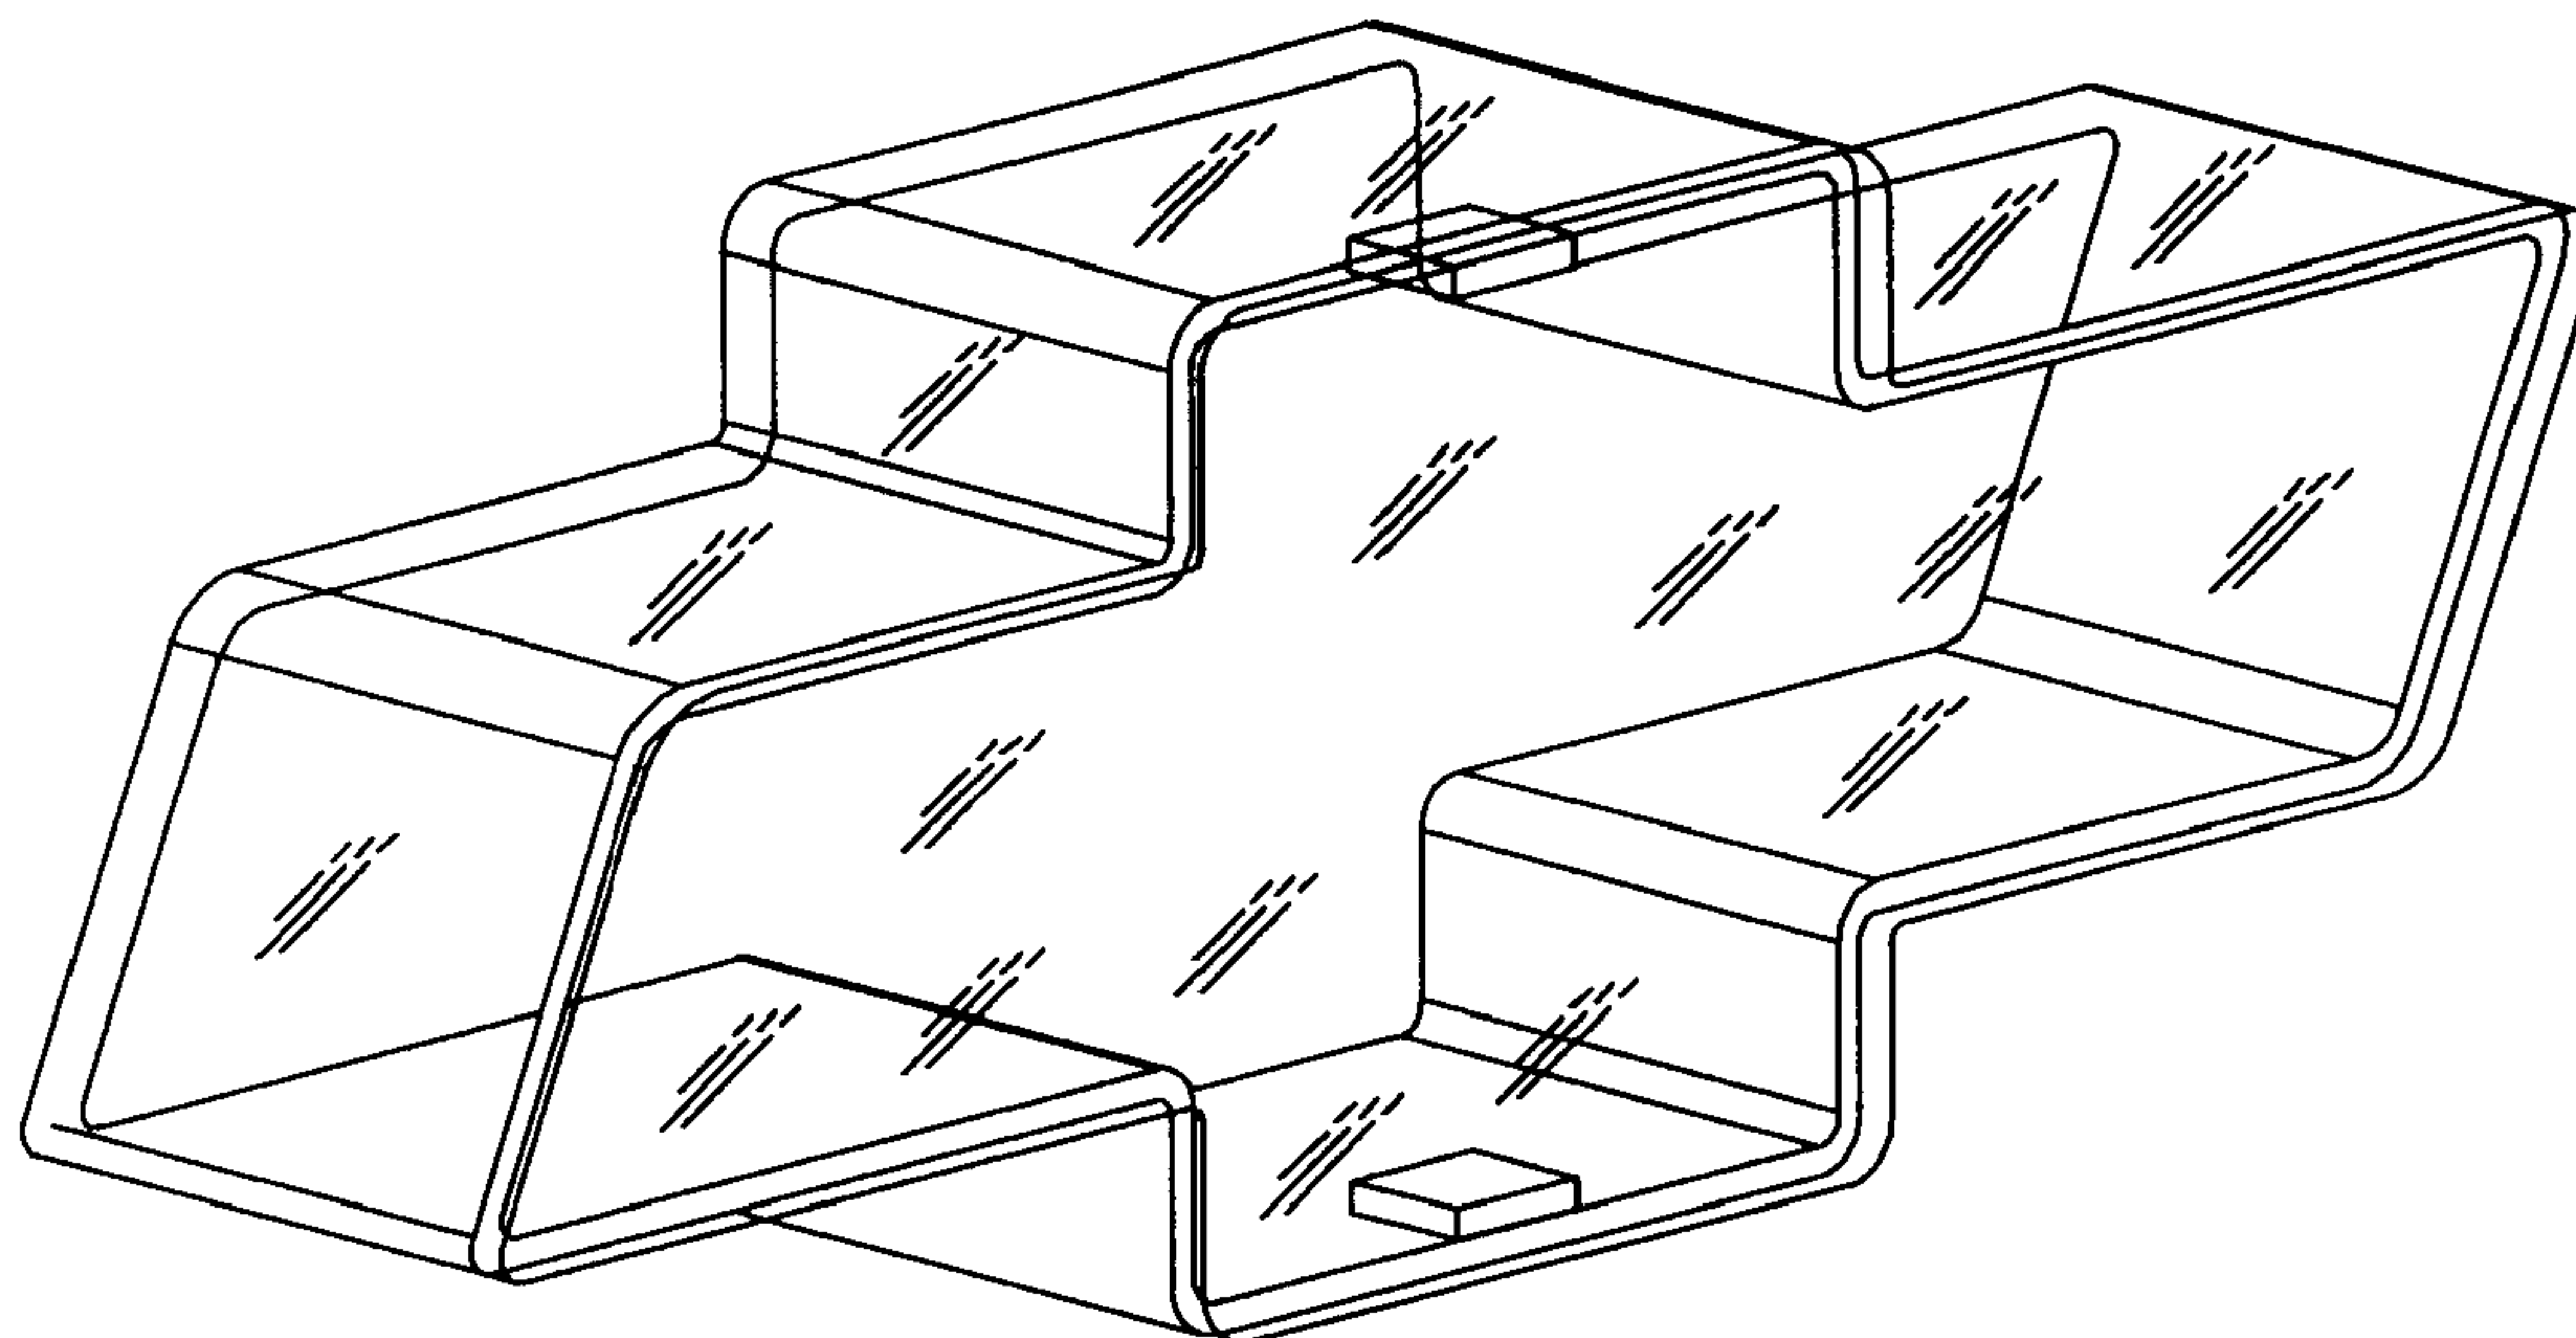

FIG. 3 is a top plan view thereof, the bottom view being similar to the top view.

FIG. 4 is a side elevational view thereof, both sides having a similar view.

FIG. 5 is a left front perspective view thereof, showing the model display case in an open position; and,

FIG. 6 is a left front perspective view of an alternate embodiment of the model display case, further showing a reflective mirror on the rearmost interior wall, the broken line showing of a model car being for illustrative purposes only and forming no part of the claimed design.
