(57) **CLAIM**

The ornamental design for a container body portion, as shown and described.

DESCRIPTION

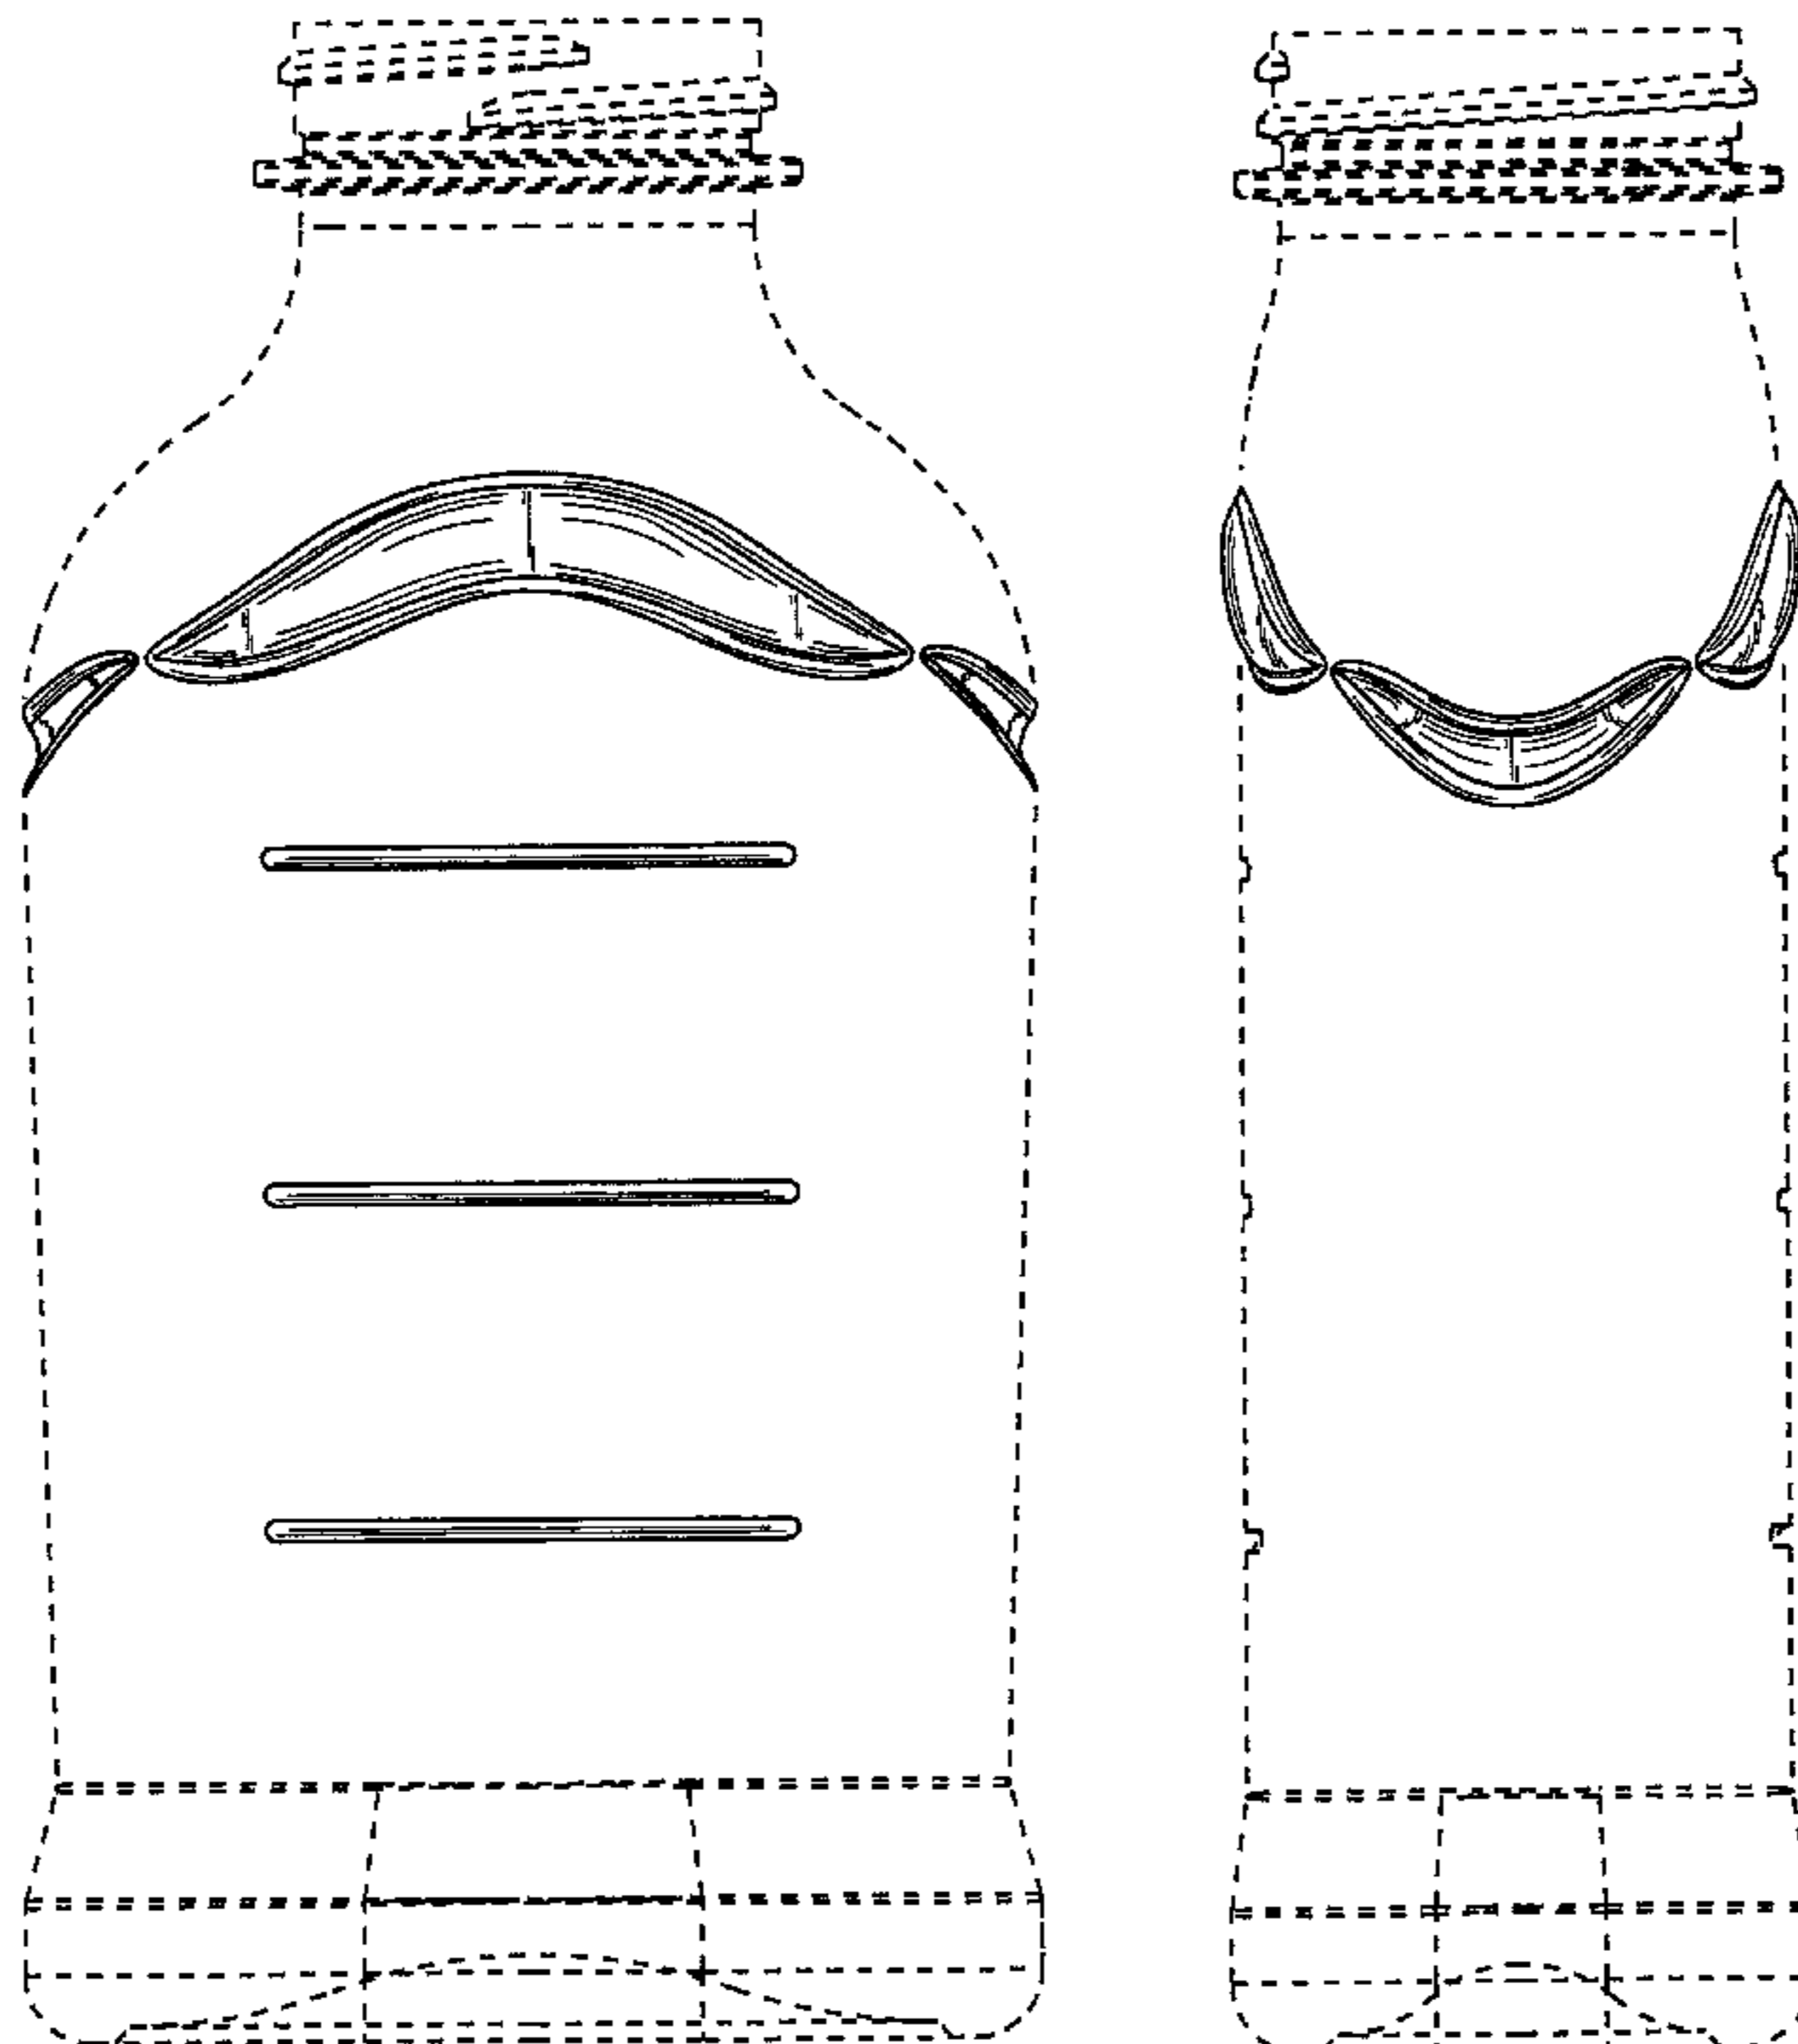

FIG. 1 is a perspective view of a container body portion looking downwardly from the front and right of a container body;

FIG. 2 front elevation view of the container body portion shown in FIG. 1, the rear elevation view being a mirror image of the front elevation view shown; and,

FIG. 3 is a right side elevation view of the container body portion shown in FIG. 1, the side opposite being a mirror image of the side shown.

The broken lines in the drawings are for illustrative purposes only and do not form a part of the claimed design.
