(57) **CLAIM**

The ornamental design for an electrical fan support, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the electrical fan support of this invention.

FIG. 2 is a top view of the electrical fan support of this invention;

FIG. 3 is a bottom view of the electrical fan support of this invention;

FIG. 4 is a right side view of the electrical fan support of this invention;

FIG. 5 is a left side view of the electrical fan support of this invention;

FIG. 6 is a front view of the electrical fan support of this invention;

FIG. 7 is a rear view of the electrical fan support of this invention;

FIG. 8 is an assembled side view, on a reduced scale of the electrical fan support of this invention; and,

FIG. 9 is an assembled side view, on a reduced scale of the electrical fan support of this invention.

The broken lines showing of environmental structure in FIGS. 8 and 9 is for illustrative purposes only and forms no part of the claimed design.
