(57) **CLAIM**

We claim the ornamental design for media cassette for use in an automated banking machine, as shown.

DESCRIPTION

FIG. 1 is a front elevational perspective of the media cassette for use in an automated banking machine.

FIG. 2 is a rear elevational view of the media cassette for use in an automated banking machine.

FIG. 3 is a view of the front of the media cassette for use in an automated banking machine.

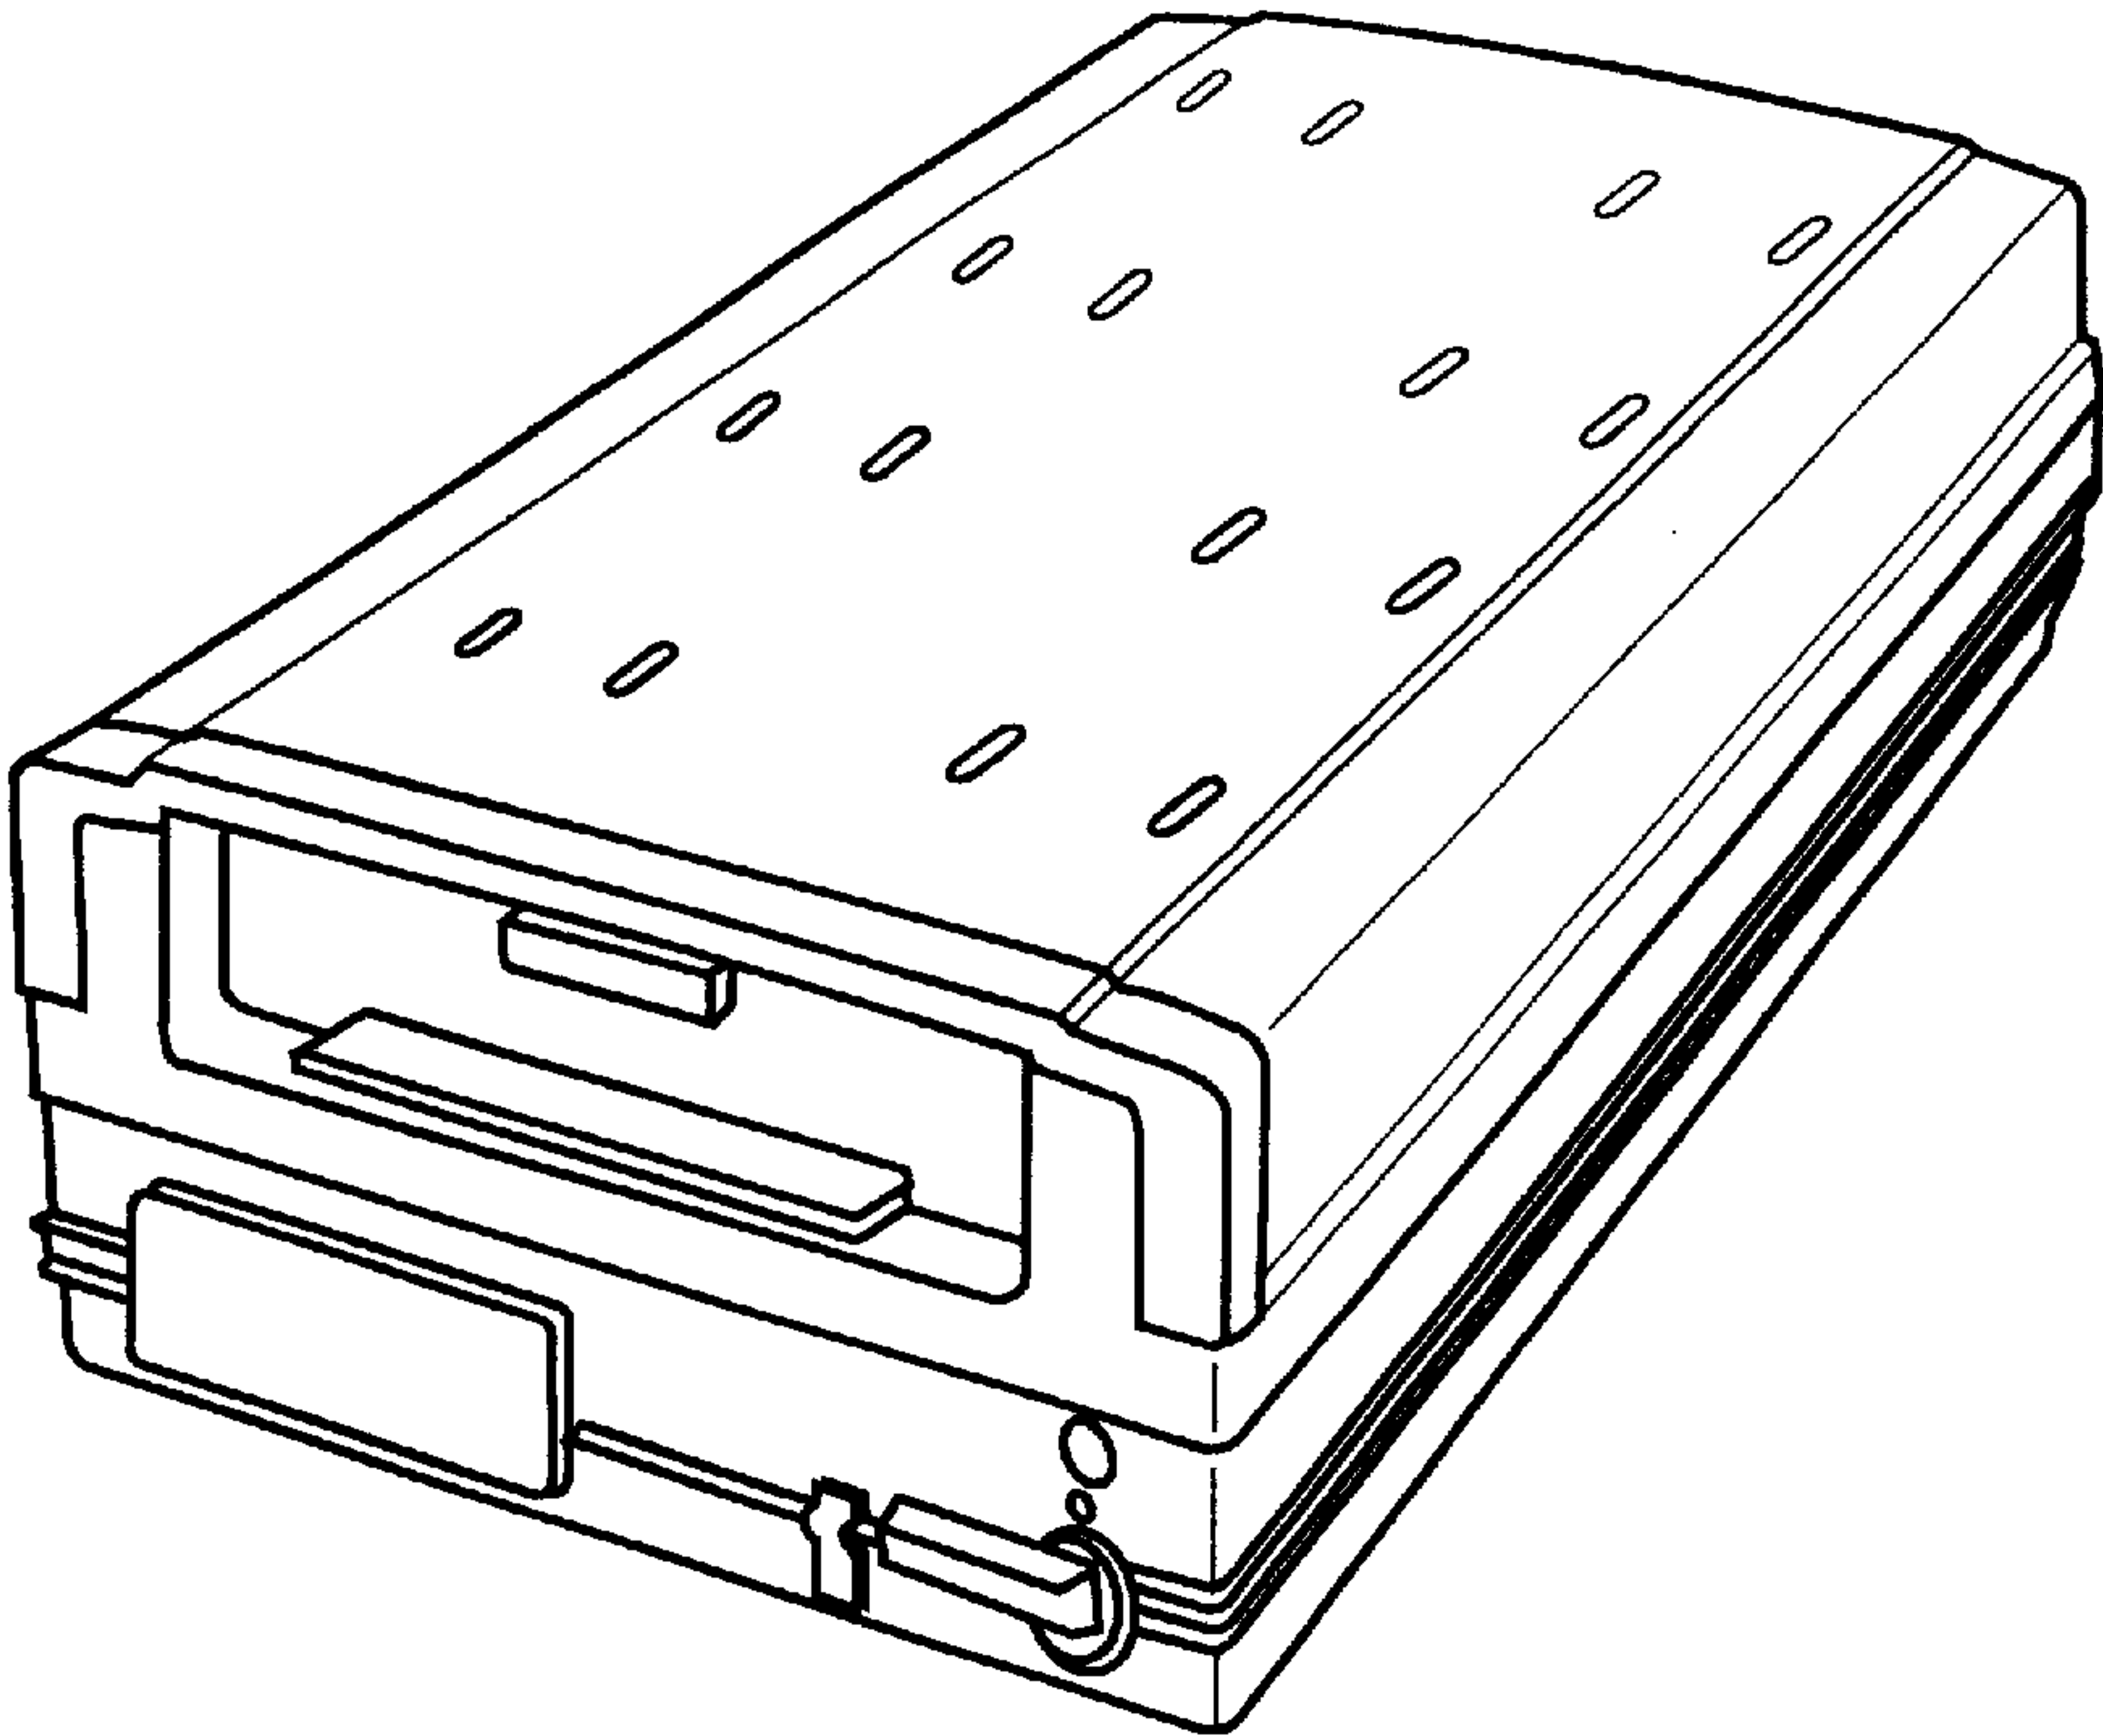

FIG. 4 is a view of the rear the media cassette for use in an automated banking machine.

FIG. 5 is a view of the right side of the media cassette for use in an automated banking machine.

FIG. 6 is a view of the left side of the media cassette for use in an automated banking machine; and,

FIG. 7 is a view of the top of the media cassette for use in an automated banking machine.
