(57) **CLAIM**

The ornamental design for a vehicle screen set, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a vehicle screen set including both upper and lower screens.

FIG. 2 is a top plan view of the upper screen of FIG. 1, the bottom view being substantially a mirror image of the top view shown.

FIG. 3 is a right side elevational view of the upper screen, the left side being a mirror image of the right side view shown.

FIG. 4 is a top plan view of the lower screen of FIG. 1, the bottom view being substantially a mirror image of the top view shown.

FIG. 5 is a right side elevational view of the lower screen, the left side view being a mirror image of the right side view shown.

The rear elevational view of the design is not visible in its intended use and is flat.
