(57) **CLAIM**

The ornamental design for a strand of lantern-shaped lights, as shown and described.

DESCRIPTION

The single FIGURE is a perspective view of a strand of lantern-shaped lights in accordance with the invention.

In the drawing FIGURE, each lantern-shaped light of the strand is identical to the other lantern-shaped lights of the strand and the lantern-shaped lights are shown in different orientations for purposes of describing the invention.

The broken lines which define the bounds of the claimed design form no part thereof.
