(57) CLAIM

The ornamental design for a portion of a floor jack side panel, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first embodiment of a portion of a floor jack side panel in the new design; FIG. 2 is a side view, the opposite side view being a mirror image thereof, of the first embodiment in the new design; FIG. 3 is a perspective view of a second embodiment of a portion of a floor jack side panel in the new design; and, FIG. 4 is a side view, the opposite side view being a mirror image thereof, of the second embodiment in the new design. The top, bottom, front, and rear views are unornamented and are therefore not shown. The broken line disclosure is for illustrative purposes only and forms no part of the claimed design.
