(57) **CLAIM**

The ornamental design for an outer portion of a bicycle rear derailleur, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an outer portion of a bicycle rear derailleur including a base member, an outer link and a movable member in accordance with my new design;

FIG. 2 is an outside elevational view of the outer portion illustrated in FIG. 1;

FIG. 3 is an inside elevational view of the outer portion illustrated in FIGS. 1 and 2;

FIG. 4 is a bottom plan view of the outer portion illustrated in FIGS. 1-3;

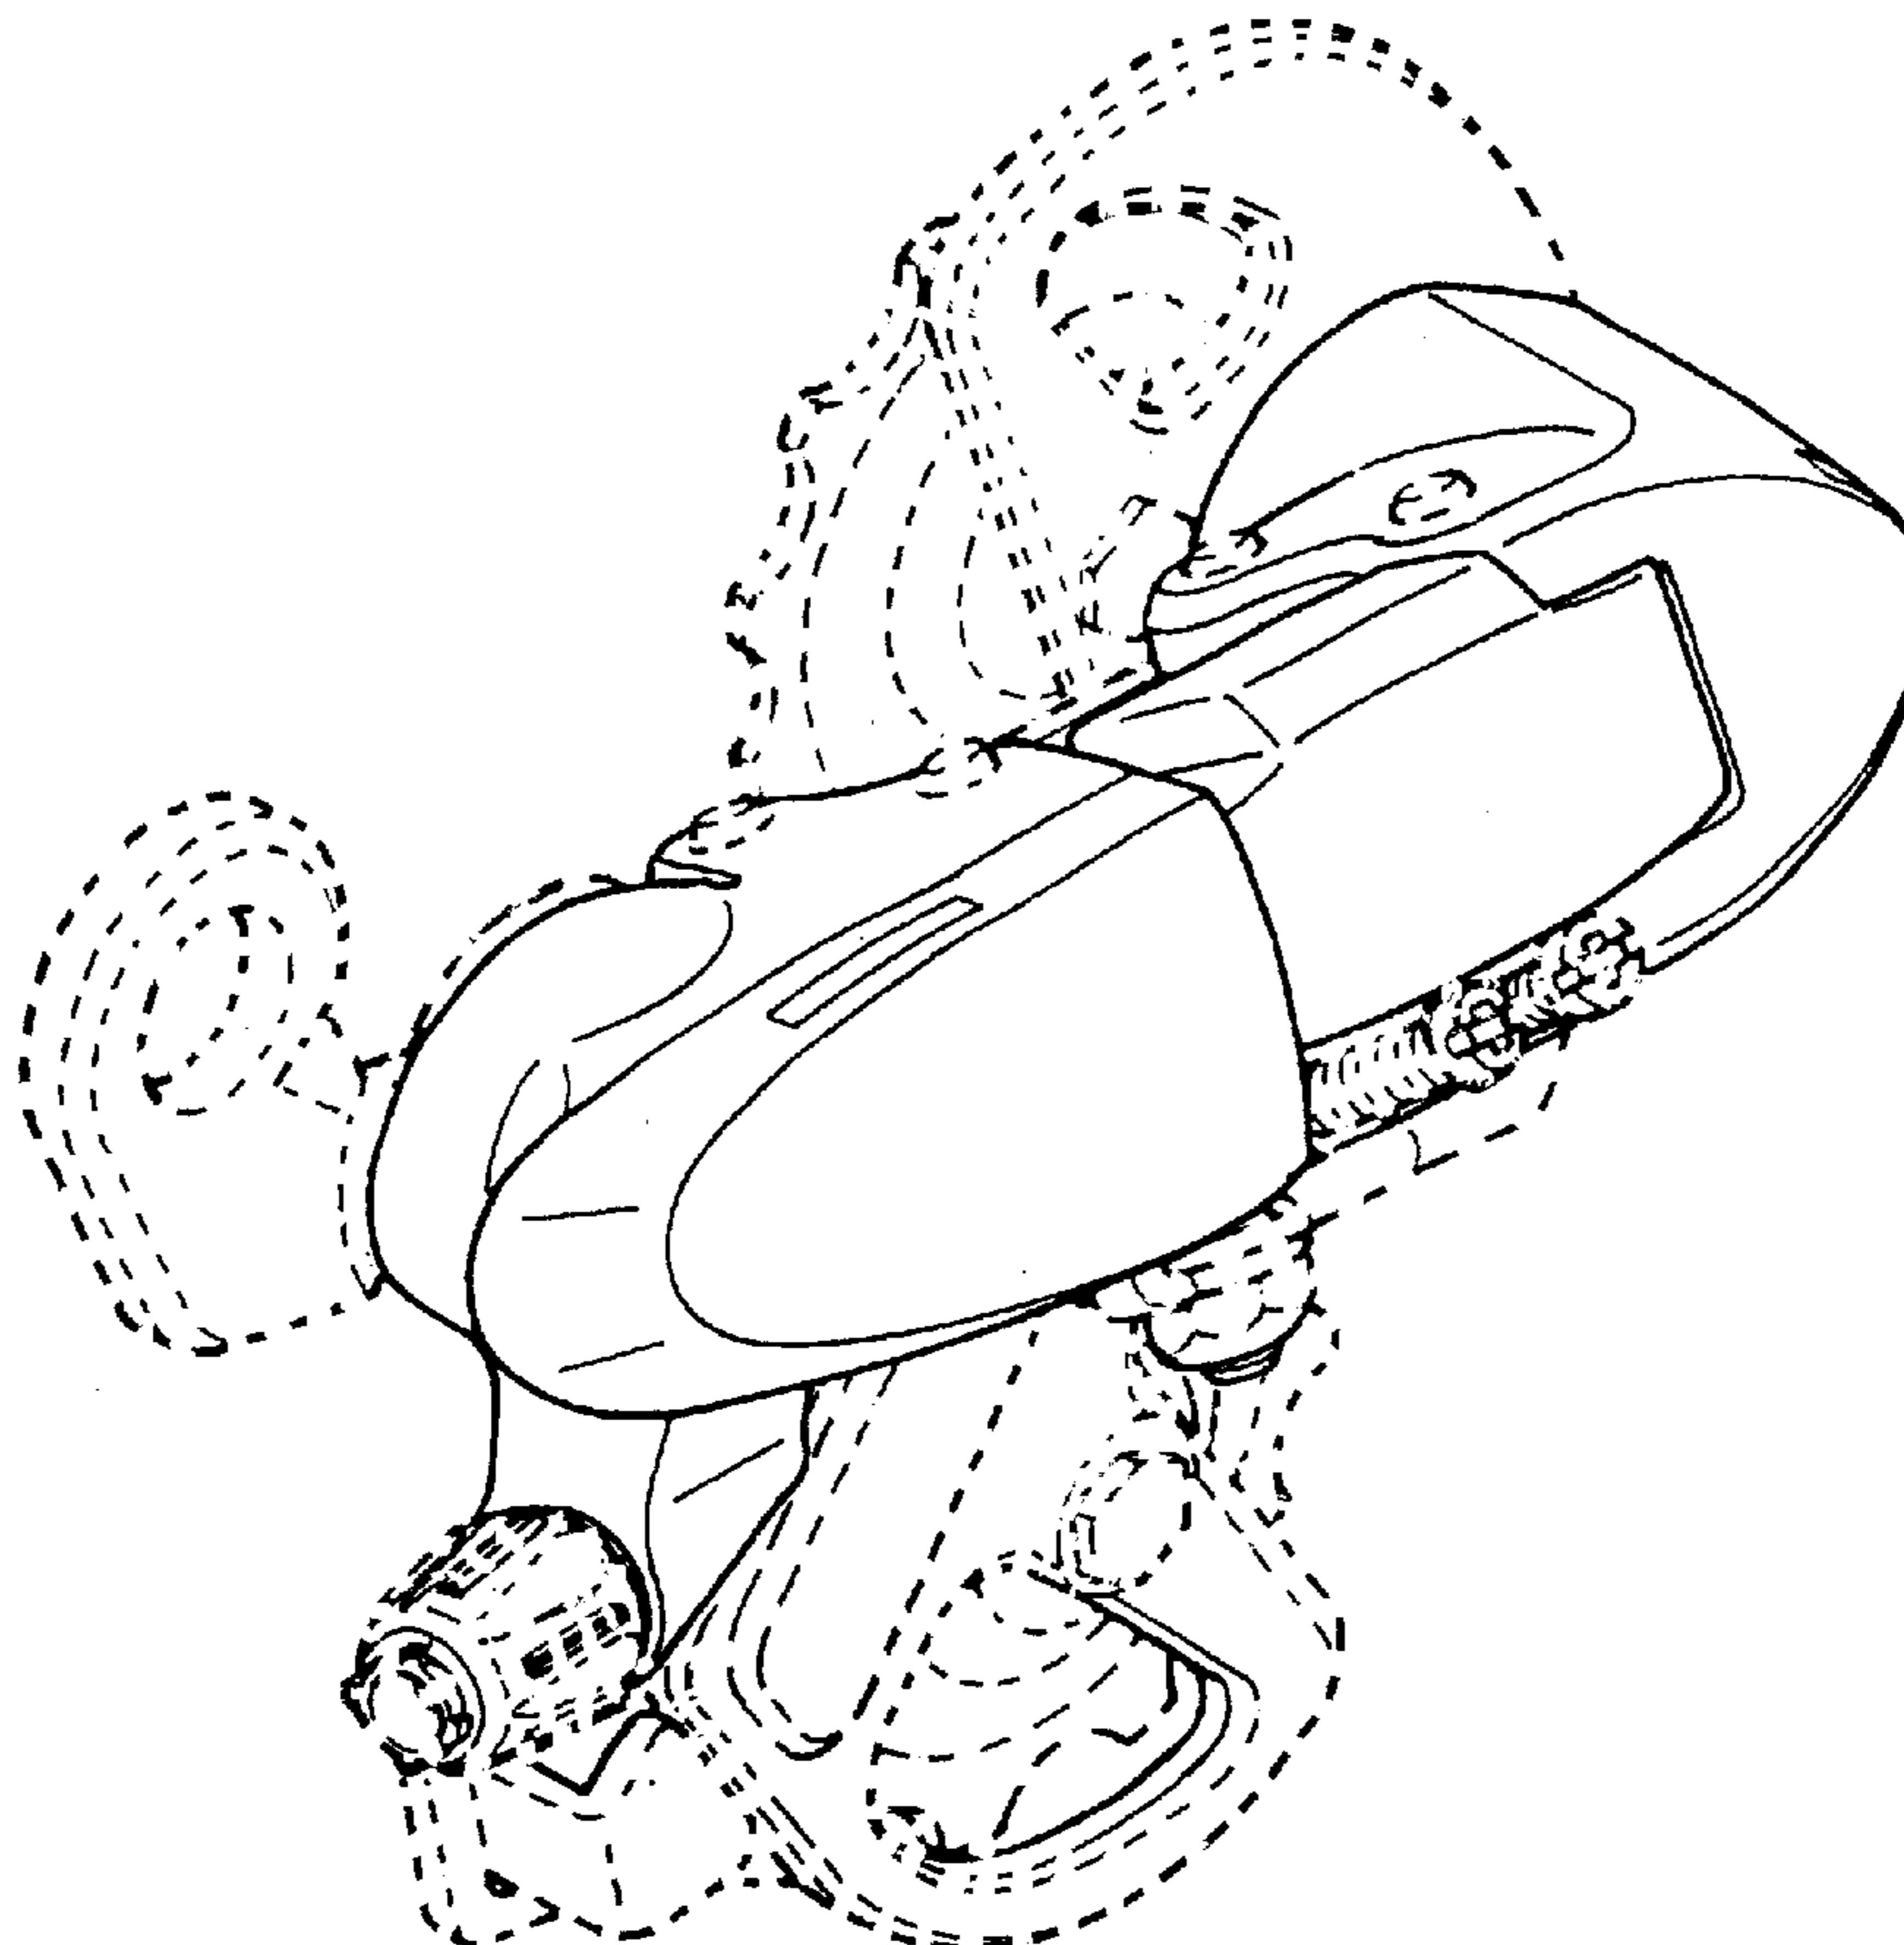

FIG. 5 is a top plan view of the outer portion illustrated in FIGS. 1-4;

FIG. 6 is a front end elevational view of the outer portion illustrated in FIGS. 1-5; and,

FIG. 7 is a rear end elevational view of the outer portion illustrated in FIGS. 1-6.

The broken line showing of environment (the remaining structure of the bicycle rear derailleur) in the Figures is for illustrative purposes only and forms no part of the claimed design. Moreover, all surfaces of outer portion (the base member, the outer link and the movable member) that are not seen are hereby disclaimed.
