(74) *Attorney, Agent, or Firm*—Nelson Mullins Riley & Scarborough, LLP

(57) **CLAIM**

The ornamental design of a combination closure and scoop, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combination closure and scoop embodying the design of the present invention; FIG. 2 is a perspective view of the combination closure and scoop illustrated in FIG. 1, the closure being in the inverted position; FIG. 3 is a top plan view of the combination closure and scoop illustrated in FIG. 1; FIG. 4 is a front elevational view of the combination closure and scoop illustrated in FIG. 1, the rear view being a mirror image of the front view; and, FIG. 5 is a right side elevational view of the combination closure and scoop illustrated in FIG. 1, the left side view being a mirror image of the right side view. The broken lines are for illustrative purposes and form no part of the claim.
