(57) **CLAIM**

The ornamental design for a surface configuration of a console for a vehicle, as shown and described.

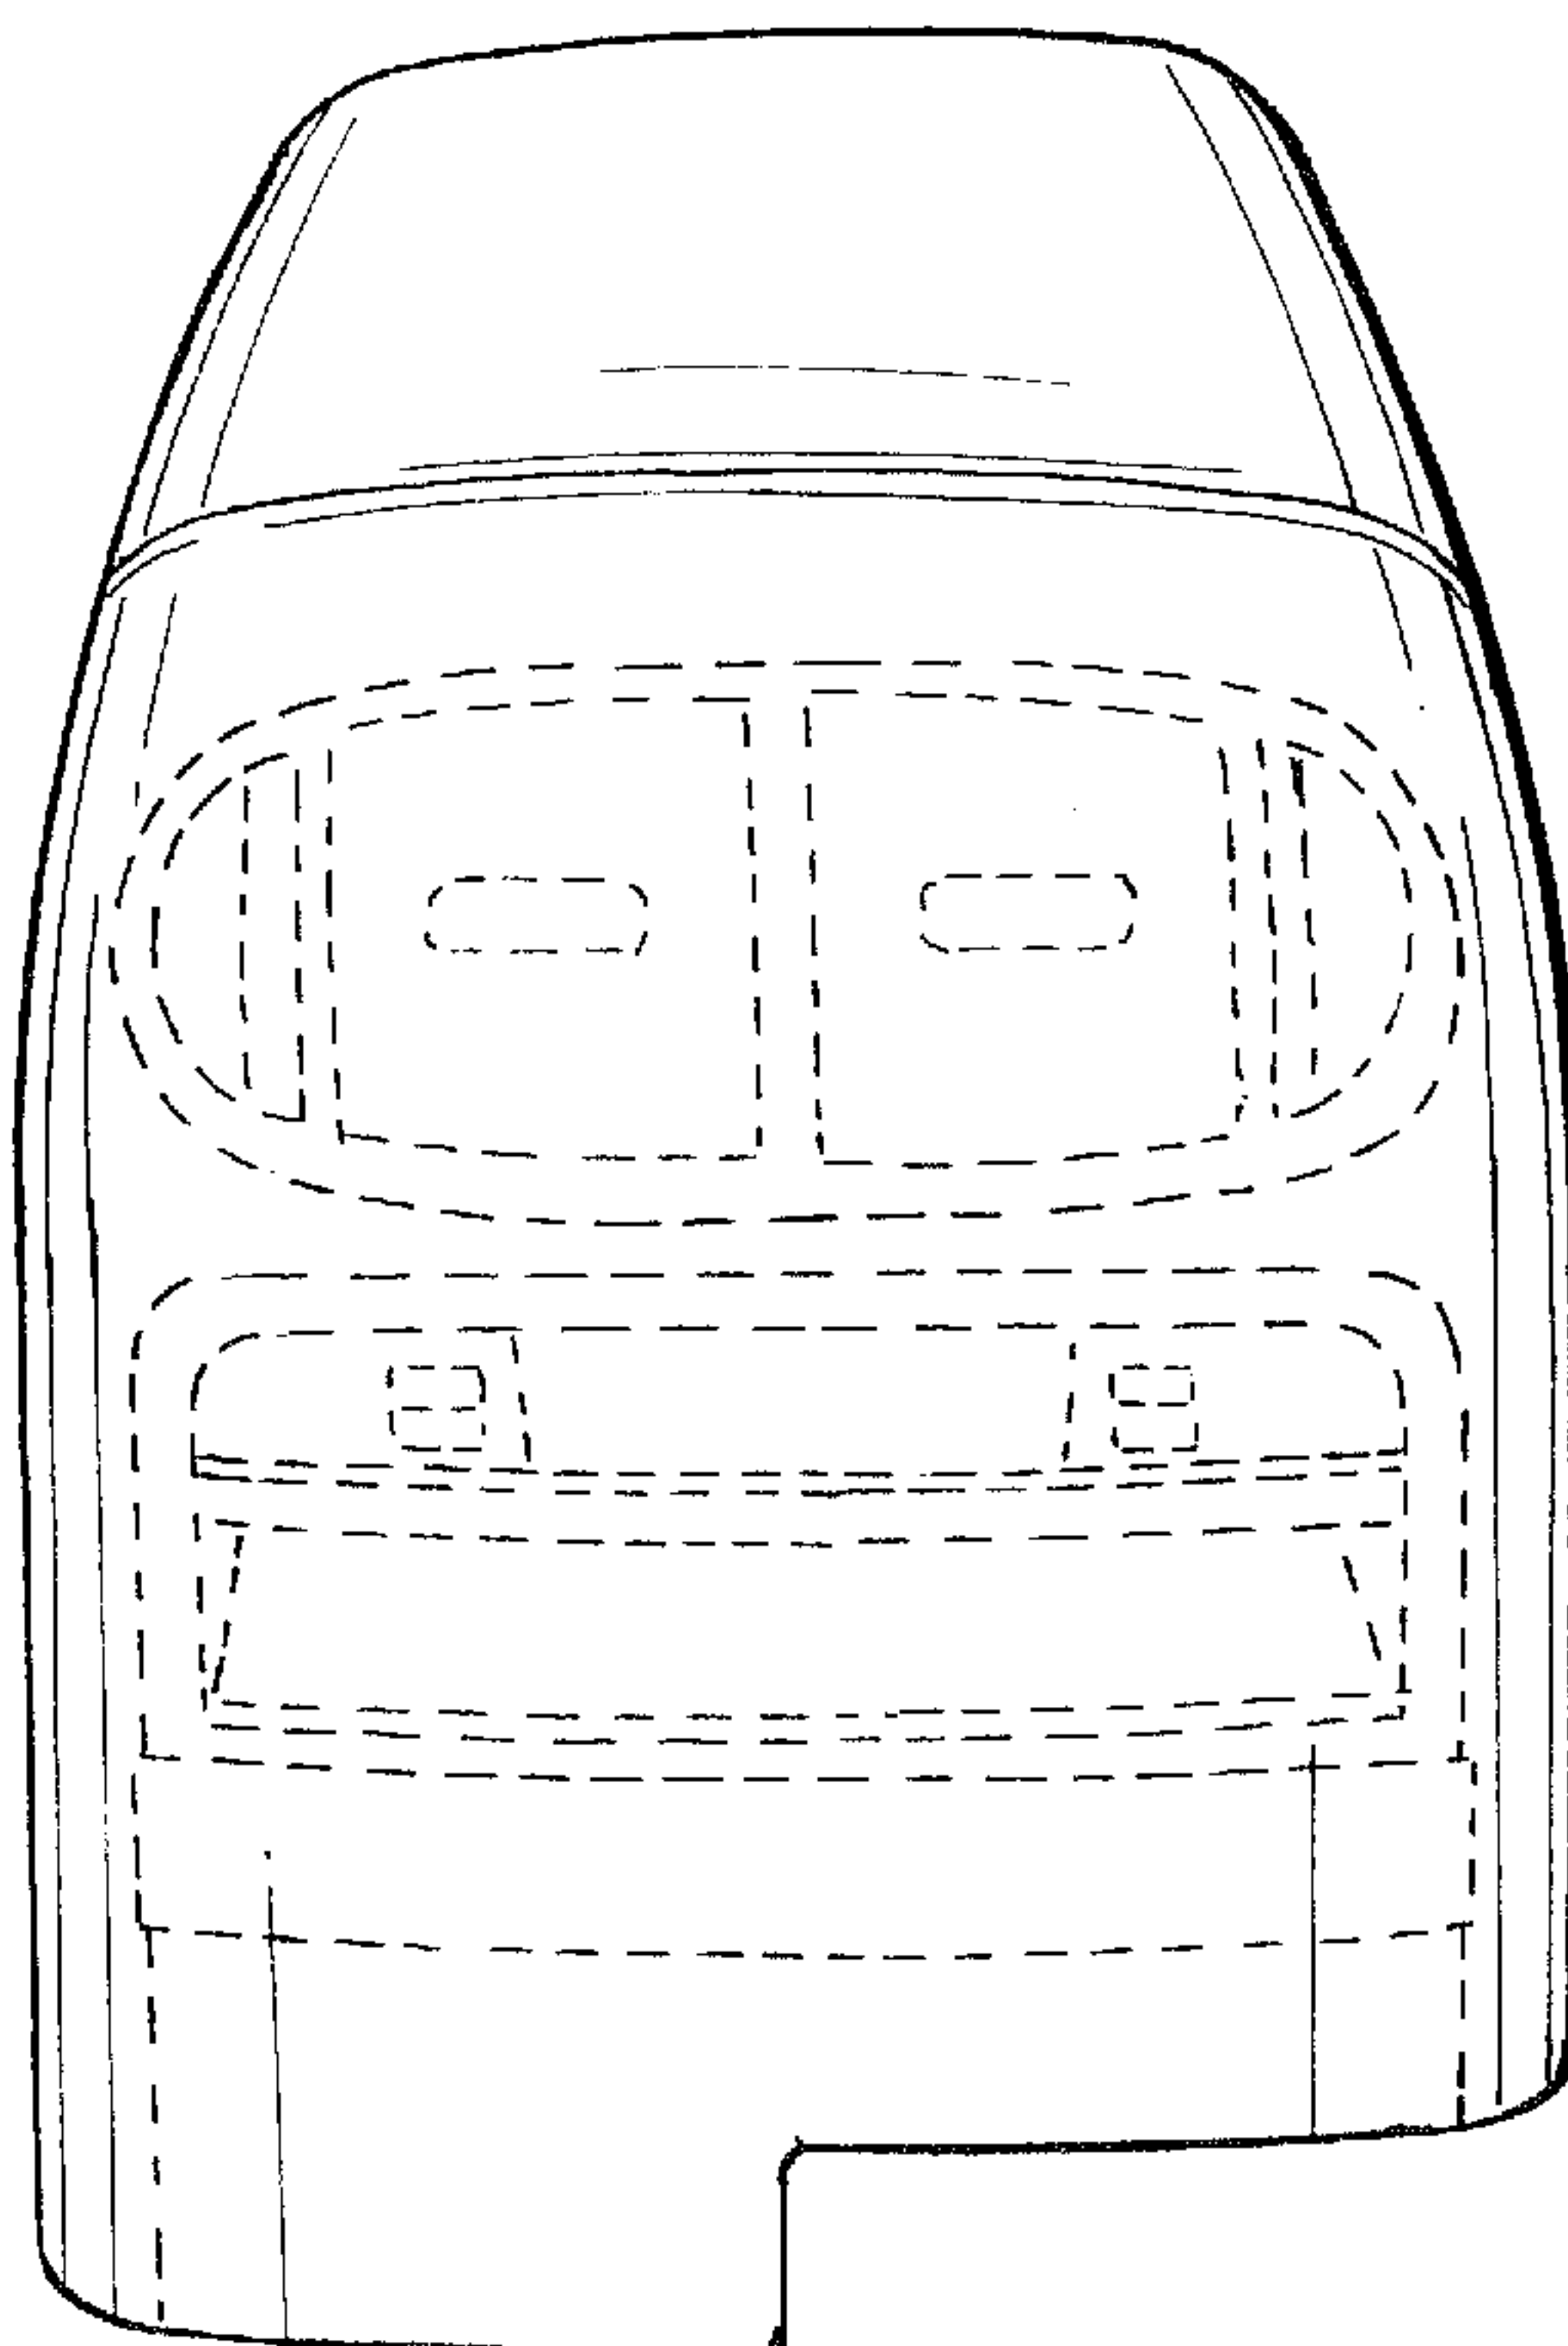

DESCRIPTION

FIG. 1 is a front view of a surface configuration of a console for a vehicle according to our novel design; and,

FIG. 2 is a right side view of the surface configuration of a console for a vehicle according to our novel design, the left side view being mirror symmetrical.

The dash lines included in the drawings depict environment and are not part of the claimed design.
