(57) **CLAIM**

The ornamental design for an ashtray, as shown and described.

**DESCRIPTION**

FIG. 1 illustrates a perspective view, from the rear and left

side, of an ashtray showing my new design, with the button component of a cell phone belt clip, which does not form part of my new design, illustrated in broken lines;

FIG. 2 illustrates a front elevational view of an ashtray showing my new design;

FIG. 3 illustrates a left side elevational view of an ashtray showing my new design, with the button component of a cell phone belt clip, which does not form part of my new design, illustrated in broken lines;

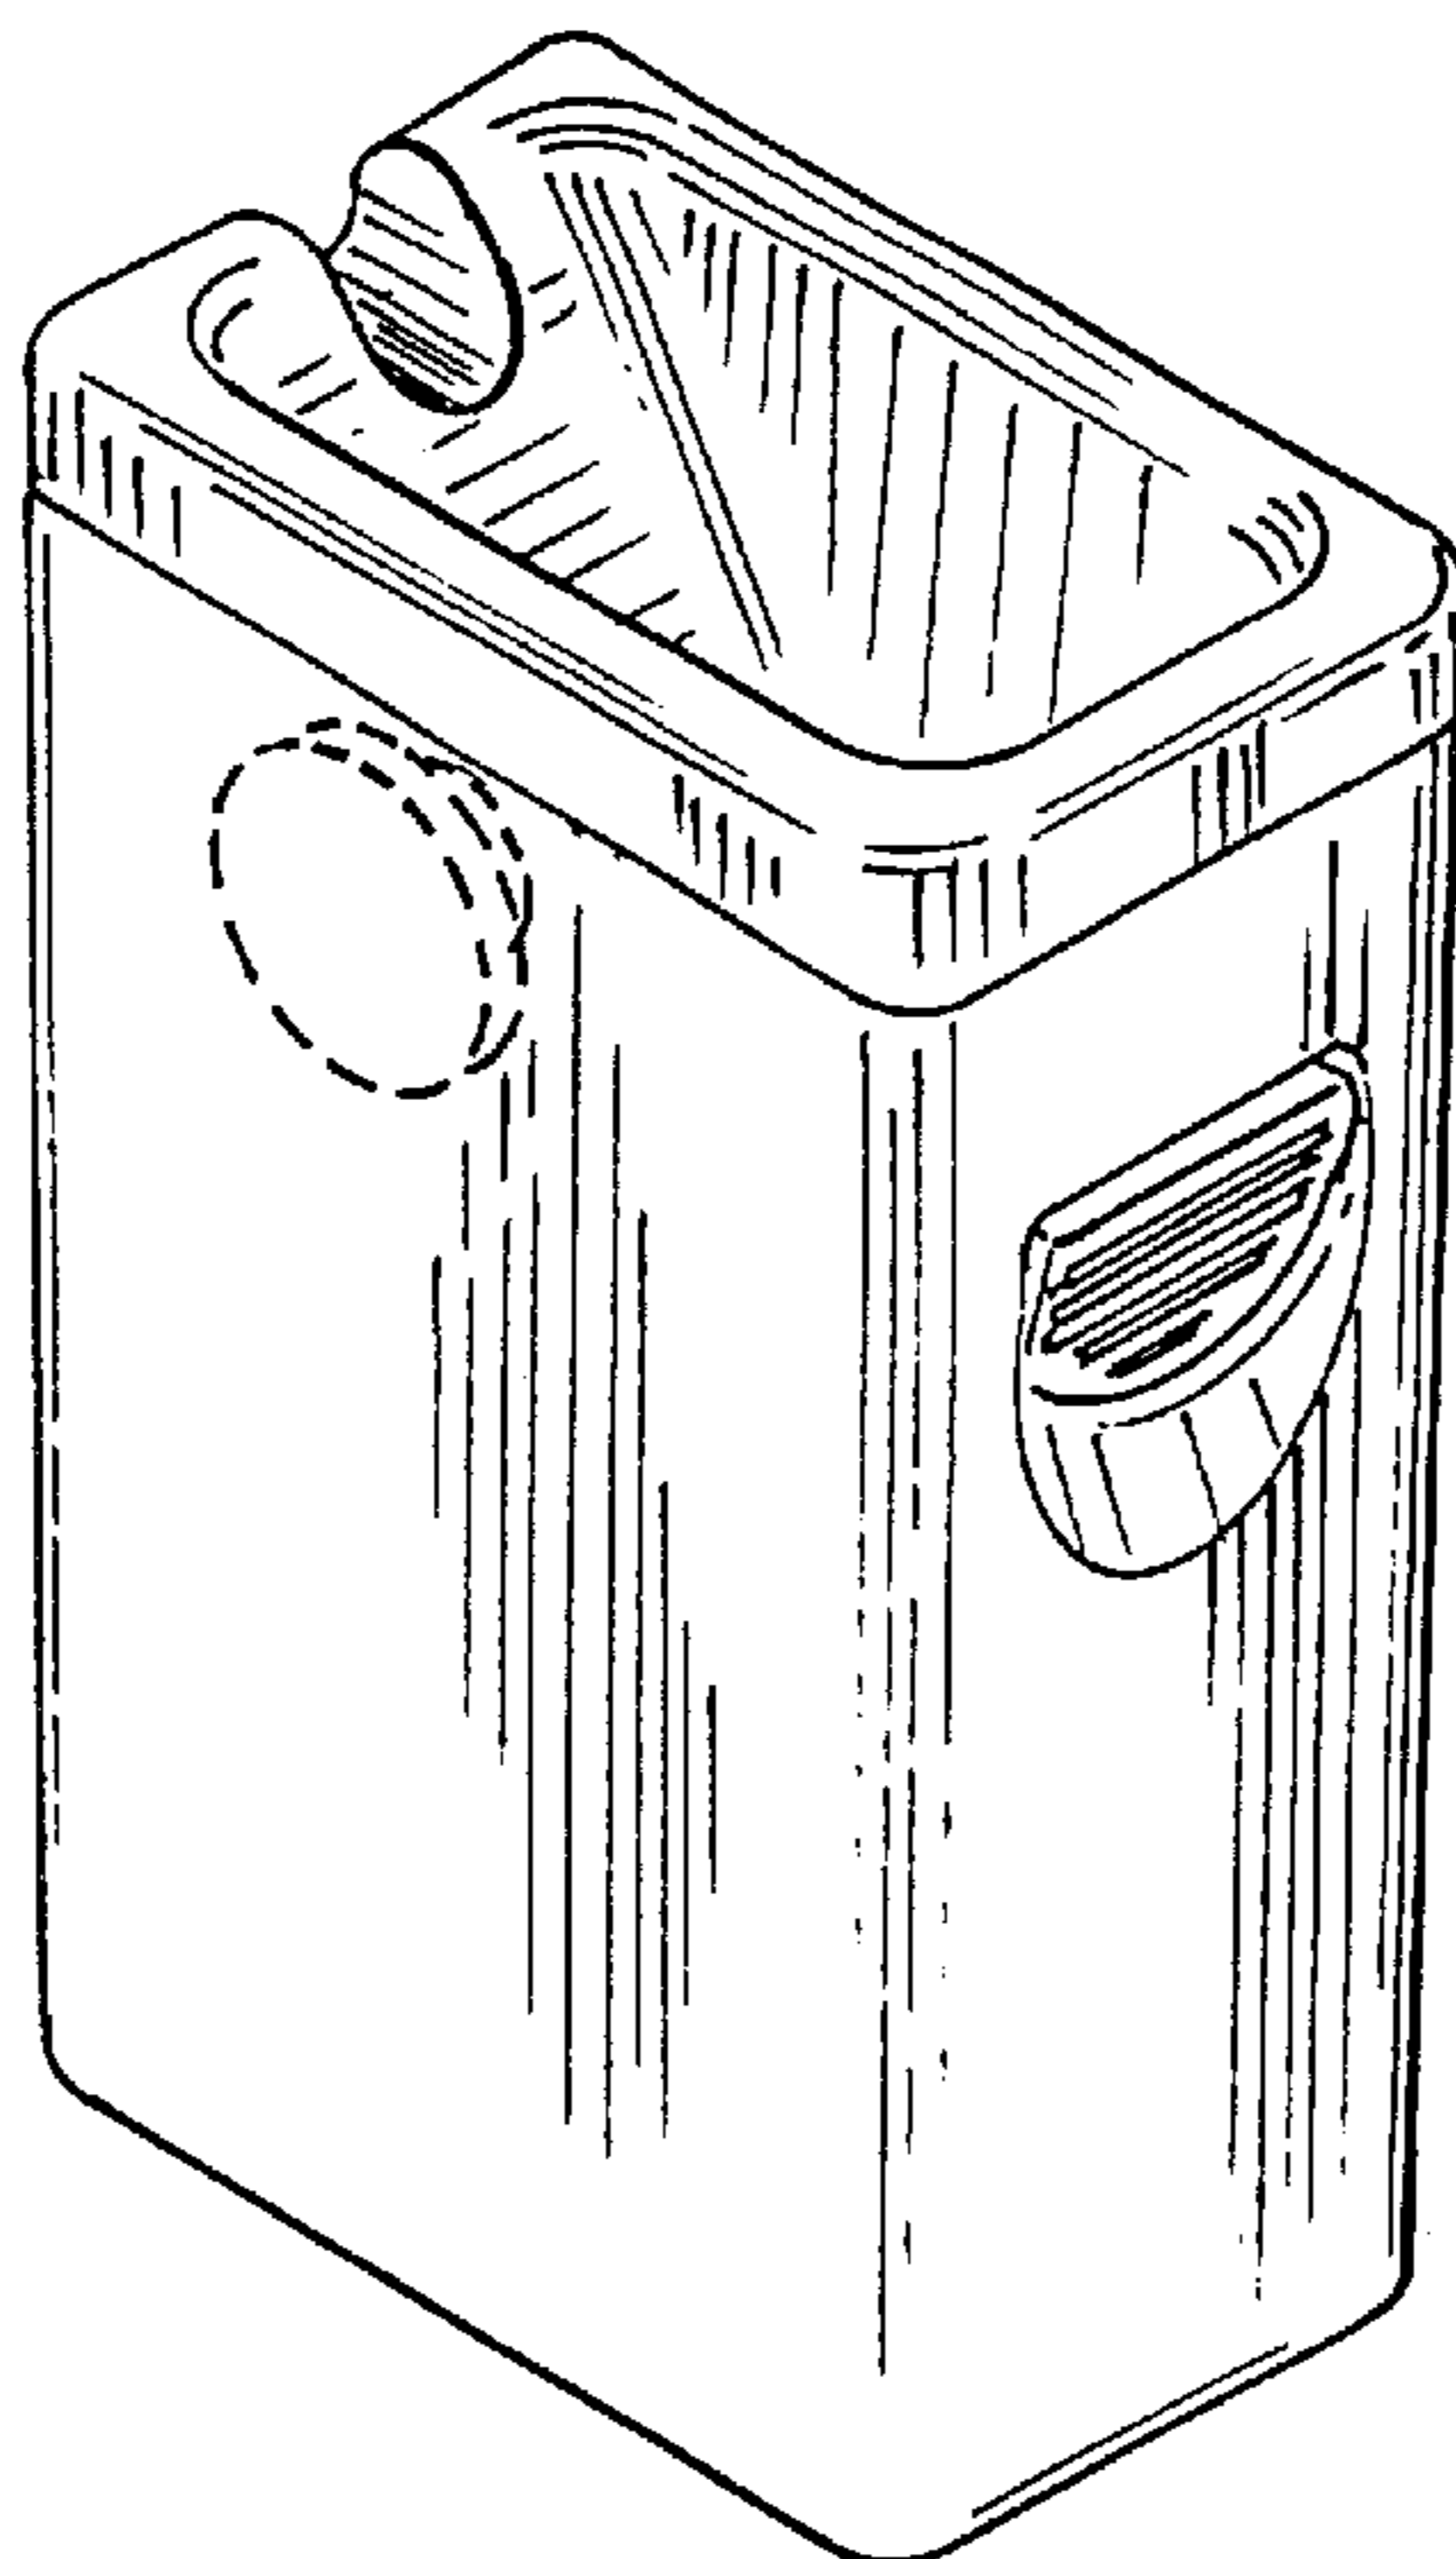

FIG. 4 illustrates a right side elevational view of an ashtray showing my new design, with the button component of a cell phone belt clip, which does not form part of my new design, illustrated in broken lines;

FIG. 5 illustrates a rear elevational view of an ashtray showing my new design, with the button component of a cell phone belt clip, which does not form part of my new design, illustrated in broken lines;

FIG. 6 illustrates a top plan view of an ashtray showing my new design, with the button component of a cell phone belt clip, which does not form part of my new design, illustrated in broken lines; and,

FIG. 7 illustrates a bottom plan view of an ashtray showing my new design, with the button component of a cell phone belt clip, which does not form part of my new design, illustrated in broken lines.
