FIG. 3 is a perspective view of the light shown in FIG. 1. FIG. 4 is a perspective view of the light shown in FIG. 1; and,

FIG. 5 is a perspective view of the light shown in FIG. 1. The present application is directed to the shape and contour of the design illustrated in the drawings. The broken line showing of the environment is for illustrative purposes only and forms no part of the claimed design. The broken lines which define the boundaries of the claimed design form no part thereof.
