Primary Examiner—Melody N. Brown

(57) **CLAIM**

The ornamental design for a gear shift knob, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the gear shift knob showing my new design with real gear teeth cut into the knob.

FIG. 2 is a bottom perspective view thereof; and, FIG. 3 is a side perspective view thereof. The appearance from any side view is the same, due to the round nature of the knob.

1 Claim, 2 Drawing Sheets

FIG. 1

FIG. 2

FIG. 3
