(57) **CLAIM**

I claim the ornamental design for a cargo bay extender for a pickup truck, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a cargo bay extender for a pickup truck embodying the design of the present invention. FIG. 2 is a rear elevational view thereof; FIG. 3 is a front elevational view thereof; FIG. 4 is a right side elevational view thereof, the left side being identical but a mirror image thereof; FIG. 5 is a top plan view thereof; FIG. 6 is a bottom plan view; and, FIG. 7 is a perspective view showing the cargo bay extender for a pickup truck in a storage configuration. The broken line showing of environmental structure is for illustrative purposes only and forms no part of the claimed design.
