(57) **CLAIM**

The ornamental design for a hunter orange arm, leg or head hunting band with stretchable ends, as shown and described.

DESCRIPTION

The file of this patent contains photographs of the claimed design that are executed in color. Copies of this patent with color photographs will be provided by the Patent and Trademark Office upon request and payment of the necessary fee.

FIG. 1 is a perspective view of the hunter orange arm, leg or head hunting band with stretchable ends showing my new design;

FIG. 2 is a top view of the band thereof, with the bottom and side views being the same due to the symmetry of the design;

FIG. 3 is front end view thereof, with the rear end view being the same due to the symmetry of the design;

FIG. 4 is another side view of the band when one end faces upward, with all other sides being the same due to the symmetry of the design; and,

FIG. 5 is another perspective view of the hunting band in a compressed state.
