(57) **CLAIM**

We claim the ornamental design for a keypad module design, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of keypad module design showing our new design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a front elevational view thereof, with the rear side elevational view being an identical; and,
FIG. 4 is a left side elevational view thereof, with the right side elevational view being an identical.
The broken lines are for illustrative purpose only and form no part of the claimed design.
