(57) **CLAIM**

I claim the ornamental design of a forearm hand guard for a rifle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the forearm hand guard for a rifle as it oriented under the barrel of a rifle.

FIG. 2 is a plan view from below of the forearm hand guard for a rifle as it oriented under the barrel of a rifle.

FIG. 3 is a plan view from the rear of the forearm hand guard for a rifle; and,

FIG. 4 is a plan view from the front of the forearm hand guard for a rifle.

The inner portion of the forearm hand guard for a rifle, surrounding the lower half of the barrel, is not visible when the forearm hand guard for a rifle is installed on a rifle and forms no part of the ornamental design. The broken line showing a rifle barrel, in FIG. 1, is for illustrative purposes only and forms no part of the claimed design.
