(57) **CLAIM**

We claim the ornamental design for a wireless communications device, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a wireless communications device embodying the design.

FIG. 2 is a plan view of the left side of the wireless communications device shown in FIG. 1.

FIG. 3 is a back view of the wireless communications device shown in FIG. 1.

FIG. 4 is a plan view of the right side of the wireless communications device shown in FIG. 1.

FIG. 5 is a bottom view of the wireless communications device shown in FIG. 1.

FIG. 6 is a top view of the wireless communications device shown in FIG. 1.

FIG. 7 is a perspective view of the front of the wireless communications device shown in FIG. 1.

FIG. 8 is a perspective view of the back of the wireless communications device shown in FIG. 1.

FIG. 9 is a front view of the second embodiment of the wireless communications device of FIG. 1 with a clip attached to the wireless communications device.

FIG. 10 is a plan view of the left side of the wireless communications device with the clip.

FIG. 11 is a back view of the wireless communications device with a clip.

FIG. 12 is a plan view of the right side of the wireless communications device with the clip.

FIG. 13 is a bottom view of the wireless communications device with the clip.

FIG. 14 is a top view of the wireless communications device with the clip.

FIG. 15 is a perspective view of the front of the wireless communications device with the clip; and,

FIG. 16 is a perspective view of the back of the wireless communications device with the clip.
