(57) CLAIM

The ornamental design for a reflector for cap, as shown and described herein.

DESCRIPTION

FIG. 1. Is a front perspective view of my reflector for cap with the dotted line showing being for illustrative purposes only and to which no claim is made;

FIG. 2. Is a right side elevational view of my reflector for cap with the left side elevational view being a mirror image thereof with the dotted line showing being for illustrative purposes only and to which no claim is made;

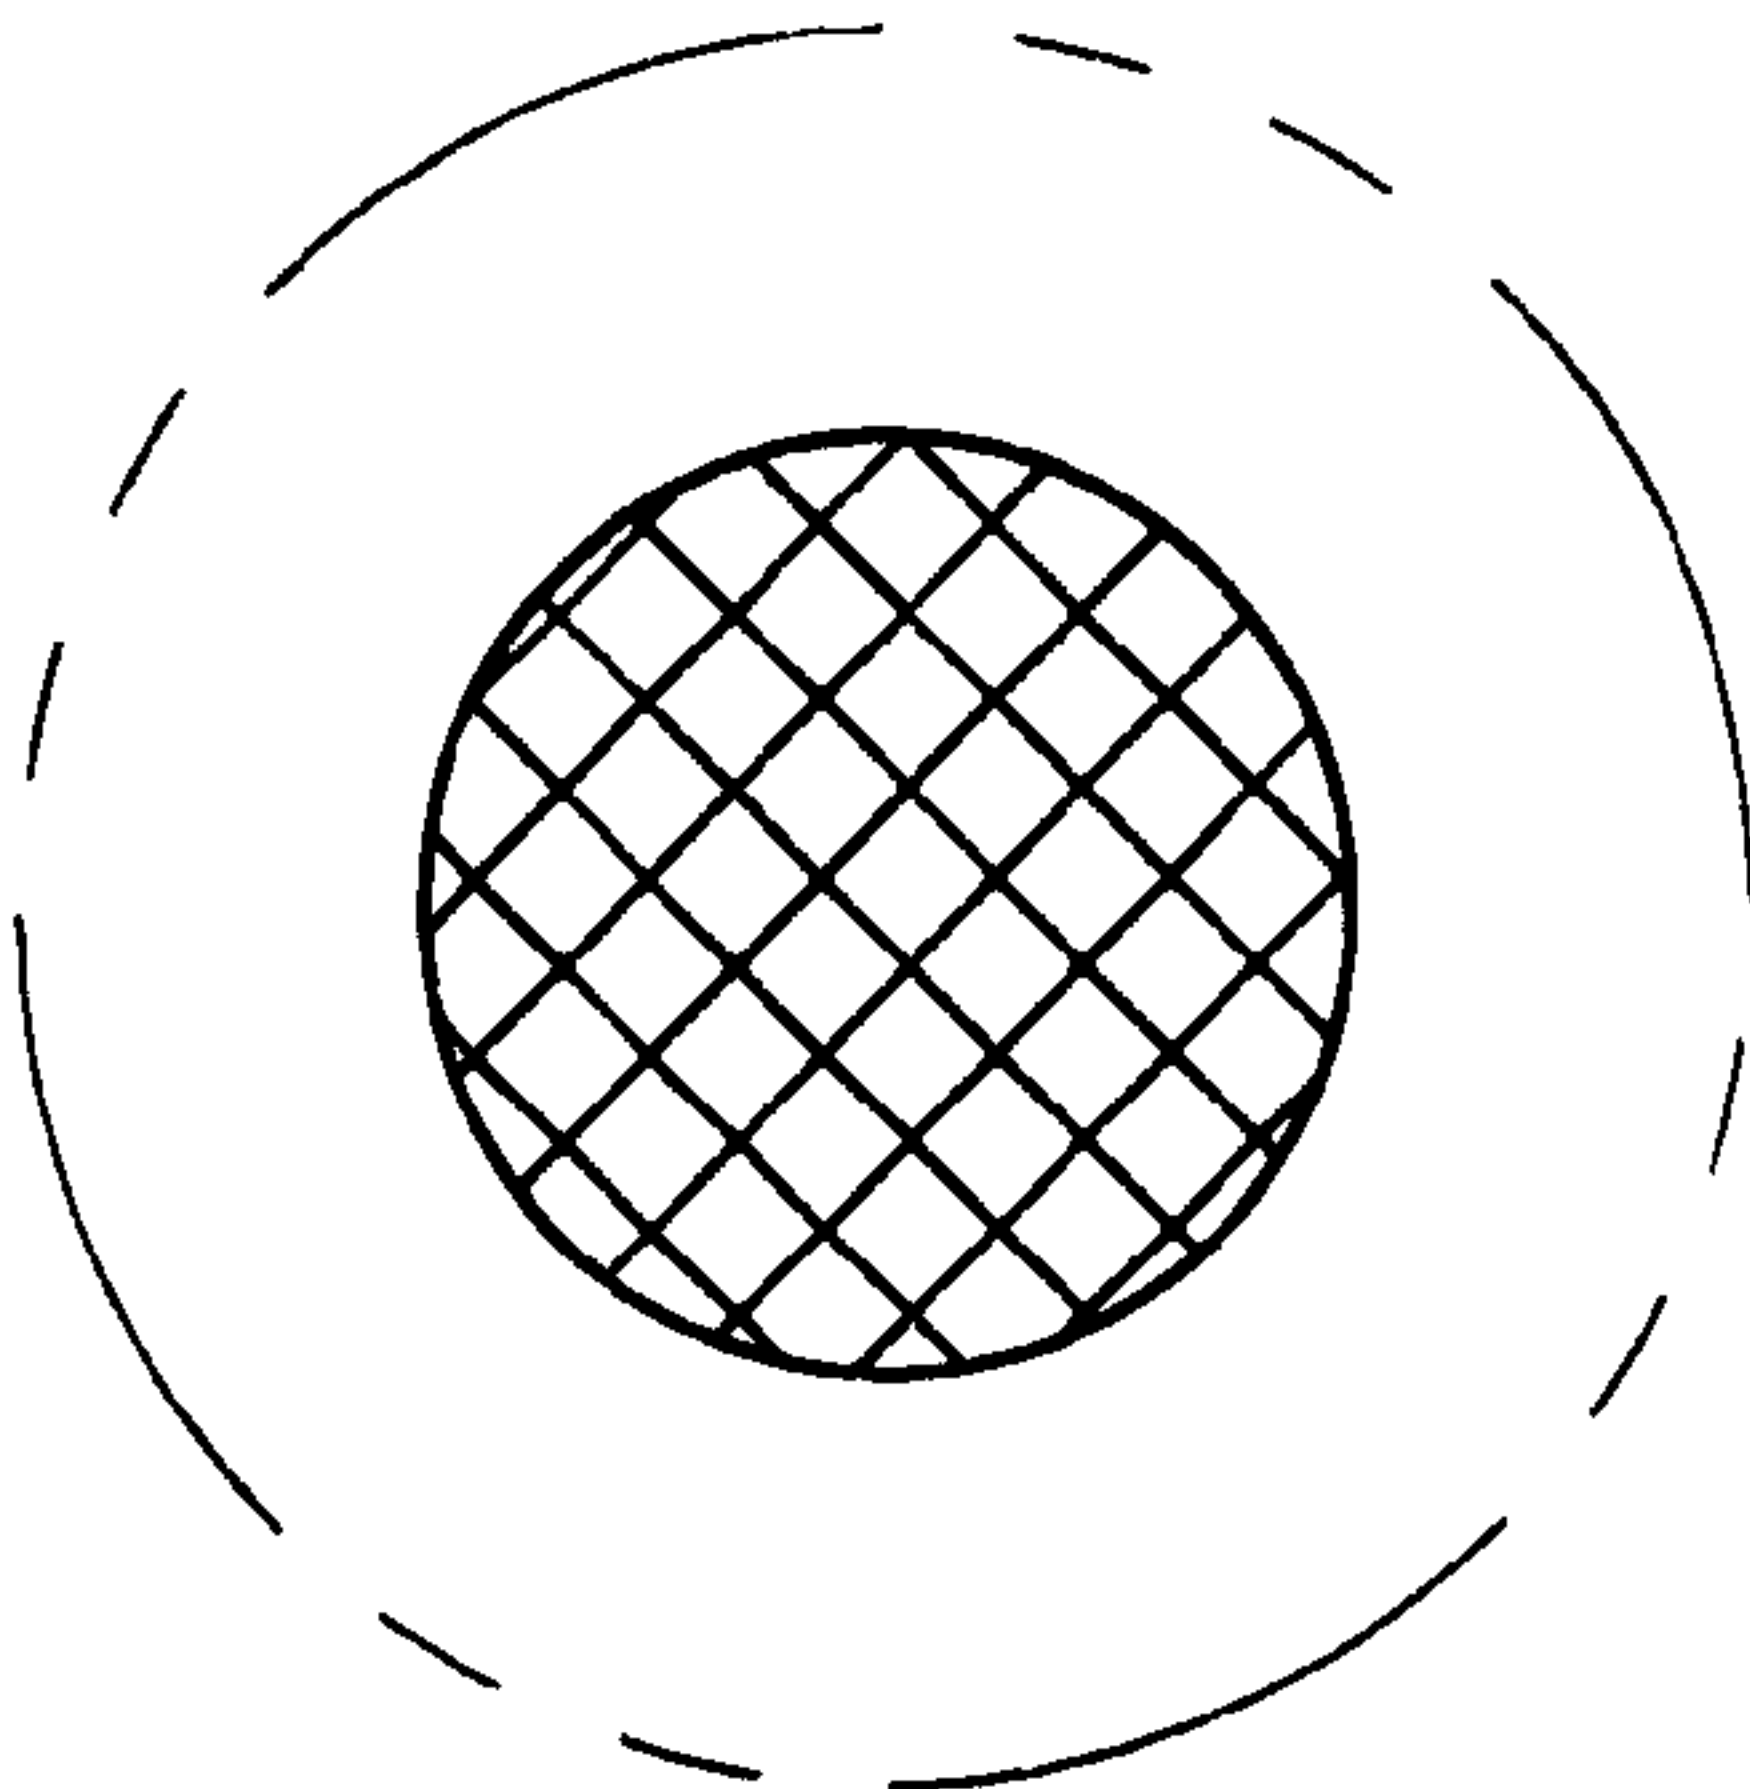

FIG. 3. Is a top view of my reflector for cap with the dotted line showing being for illustrative purposes only and to which no claim is made;

FIG. 4. Is a magnified view of the reflective portion of my reflector for cap shown in 3;

FIG. 5. Is a front view of my reflector for cap with the dotted line showing being for illustrative purposes only and to which no claim is made; and,

FIG. 6. Is a rear view of my reflector for cap with the dotted line showing being for illustrative purposes only and to which no claim is made.
