(57) **CLAIM**

The ornamental design for a building module, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a slightly modified building module illustrating my new design, it being understood that the rear elevational view is a mirror image thereof; FIG. 2 is a top plan view thereof; FIG. 3 is a view taken from the left end of FIG. 1; FIG. 4 is a bottom plan view thereof; FIG. 5 is an enlarged view taken from the right side of FIG. 1 with a partial break away to show the environment of the complete building module; and, FIG. 6 is an isometric view thereof.
