(57) **CLAIM**

The ornamental design for a tire mounting tool, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a tire mounting tool according to the present invention.

FIG. 2 is a right side elevational view thereof, the left side being a mirror image thereof.

FIG. 3 is an enlarged front perspective view thereof showing the tool having indeterminate length.

FIG. 4 is a front elevational view of a tire mounting tool according to the present invention that has been enlarged to show detail and showing the tool having indeterminate length.

FIG. 5 is a right side elevational view thereof, the left side elevational view being a mirror image thereof.

FIG. 6 is a rear elevational view thereof.

FIG. 7 is a top plan view thereof; and,

FIG. 8 is a bottom plan view thereof.
