(57) **CLAIM**

The ornamental design for a tire, as shown and described.

DESCRIPTION

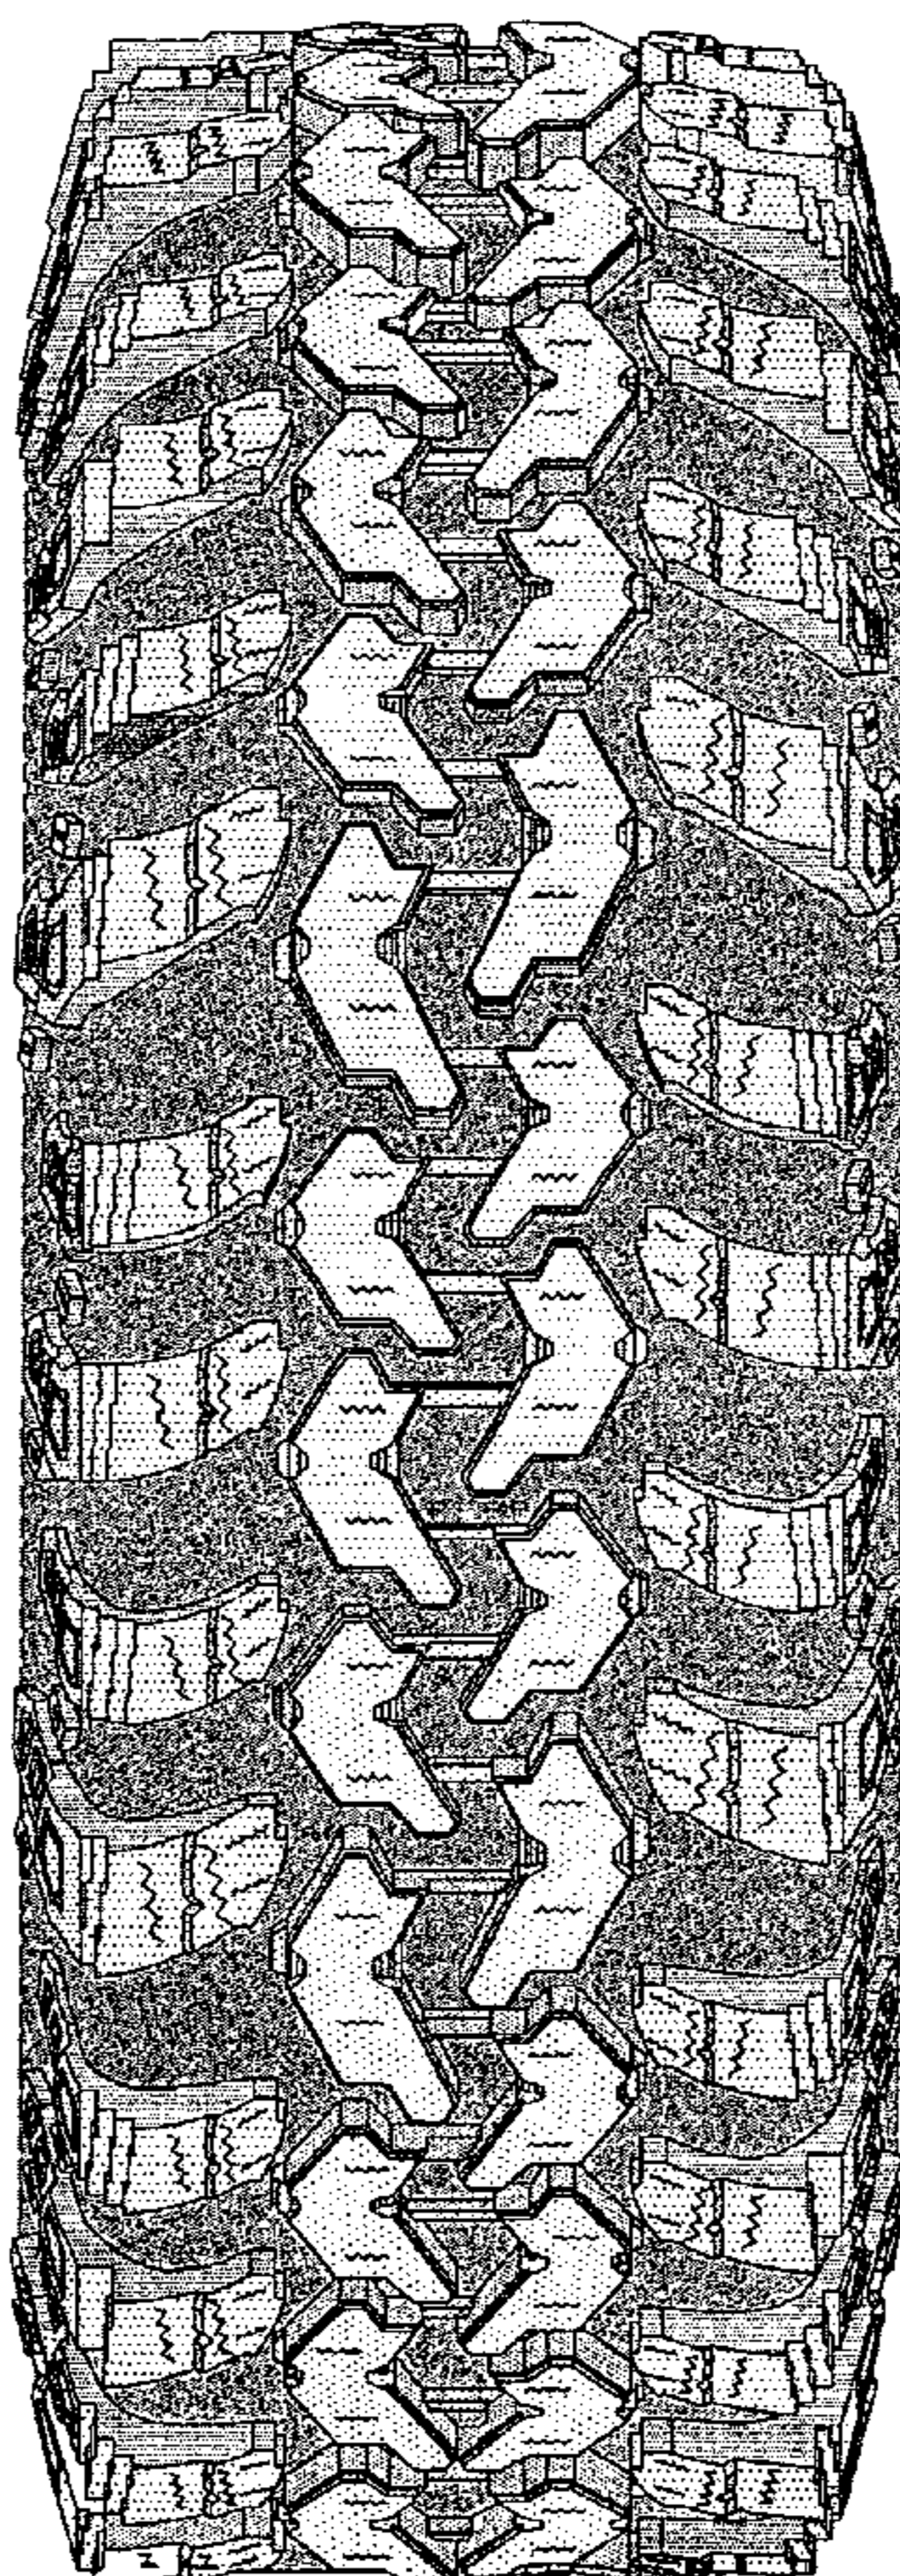

FIG. 1 is a perspective view of a tire showing my new design;

FIG. 2 is a front elevation view of my new tire;

FIG. 3 is a side elevation view of my new tire, it being understood that the other side is a mirror image thereof; and, FIG. 4 is a partial enlargement of the front elevation view shown in FIG. 2.

The broken line showing of a tire sidewall and inner bead and the peripheral boundary between the sidewall and tread is for illustrative purposes only and forms no part of the claimed design.
