Primary Examiner—Raphael Barkai

(57) **CLAIM**

The ornamental design for a split screen, as shown.

DESCRIPTION

FIG. 1 is a full front horizontal elevational view showing how the screen is split into two playing fields.

FIG. 2 is showing the right side elevational view of the split screen.

FIG. 3 is showing the left side elevational view of the split screen.

FIG. 4 is showing the left bottom side elevational view and how the wire frame attaches to the television screen with suction cups.

FIG. 5 is showing the right bottom side elevational view and how the wire frame attaches to the television screen with suction cups.

FIG. 6 is a full front elevational view showing the vertical two-player field.

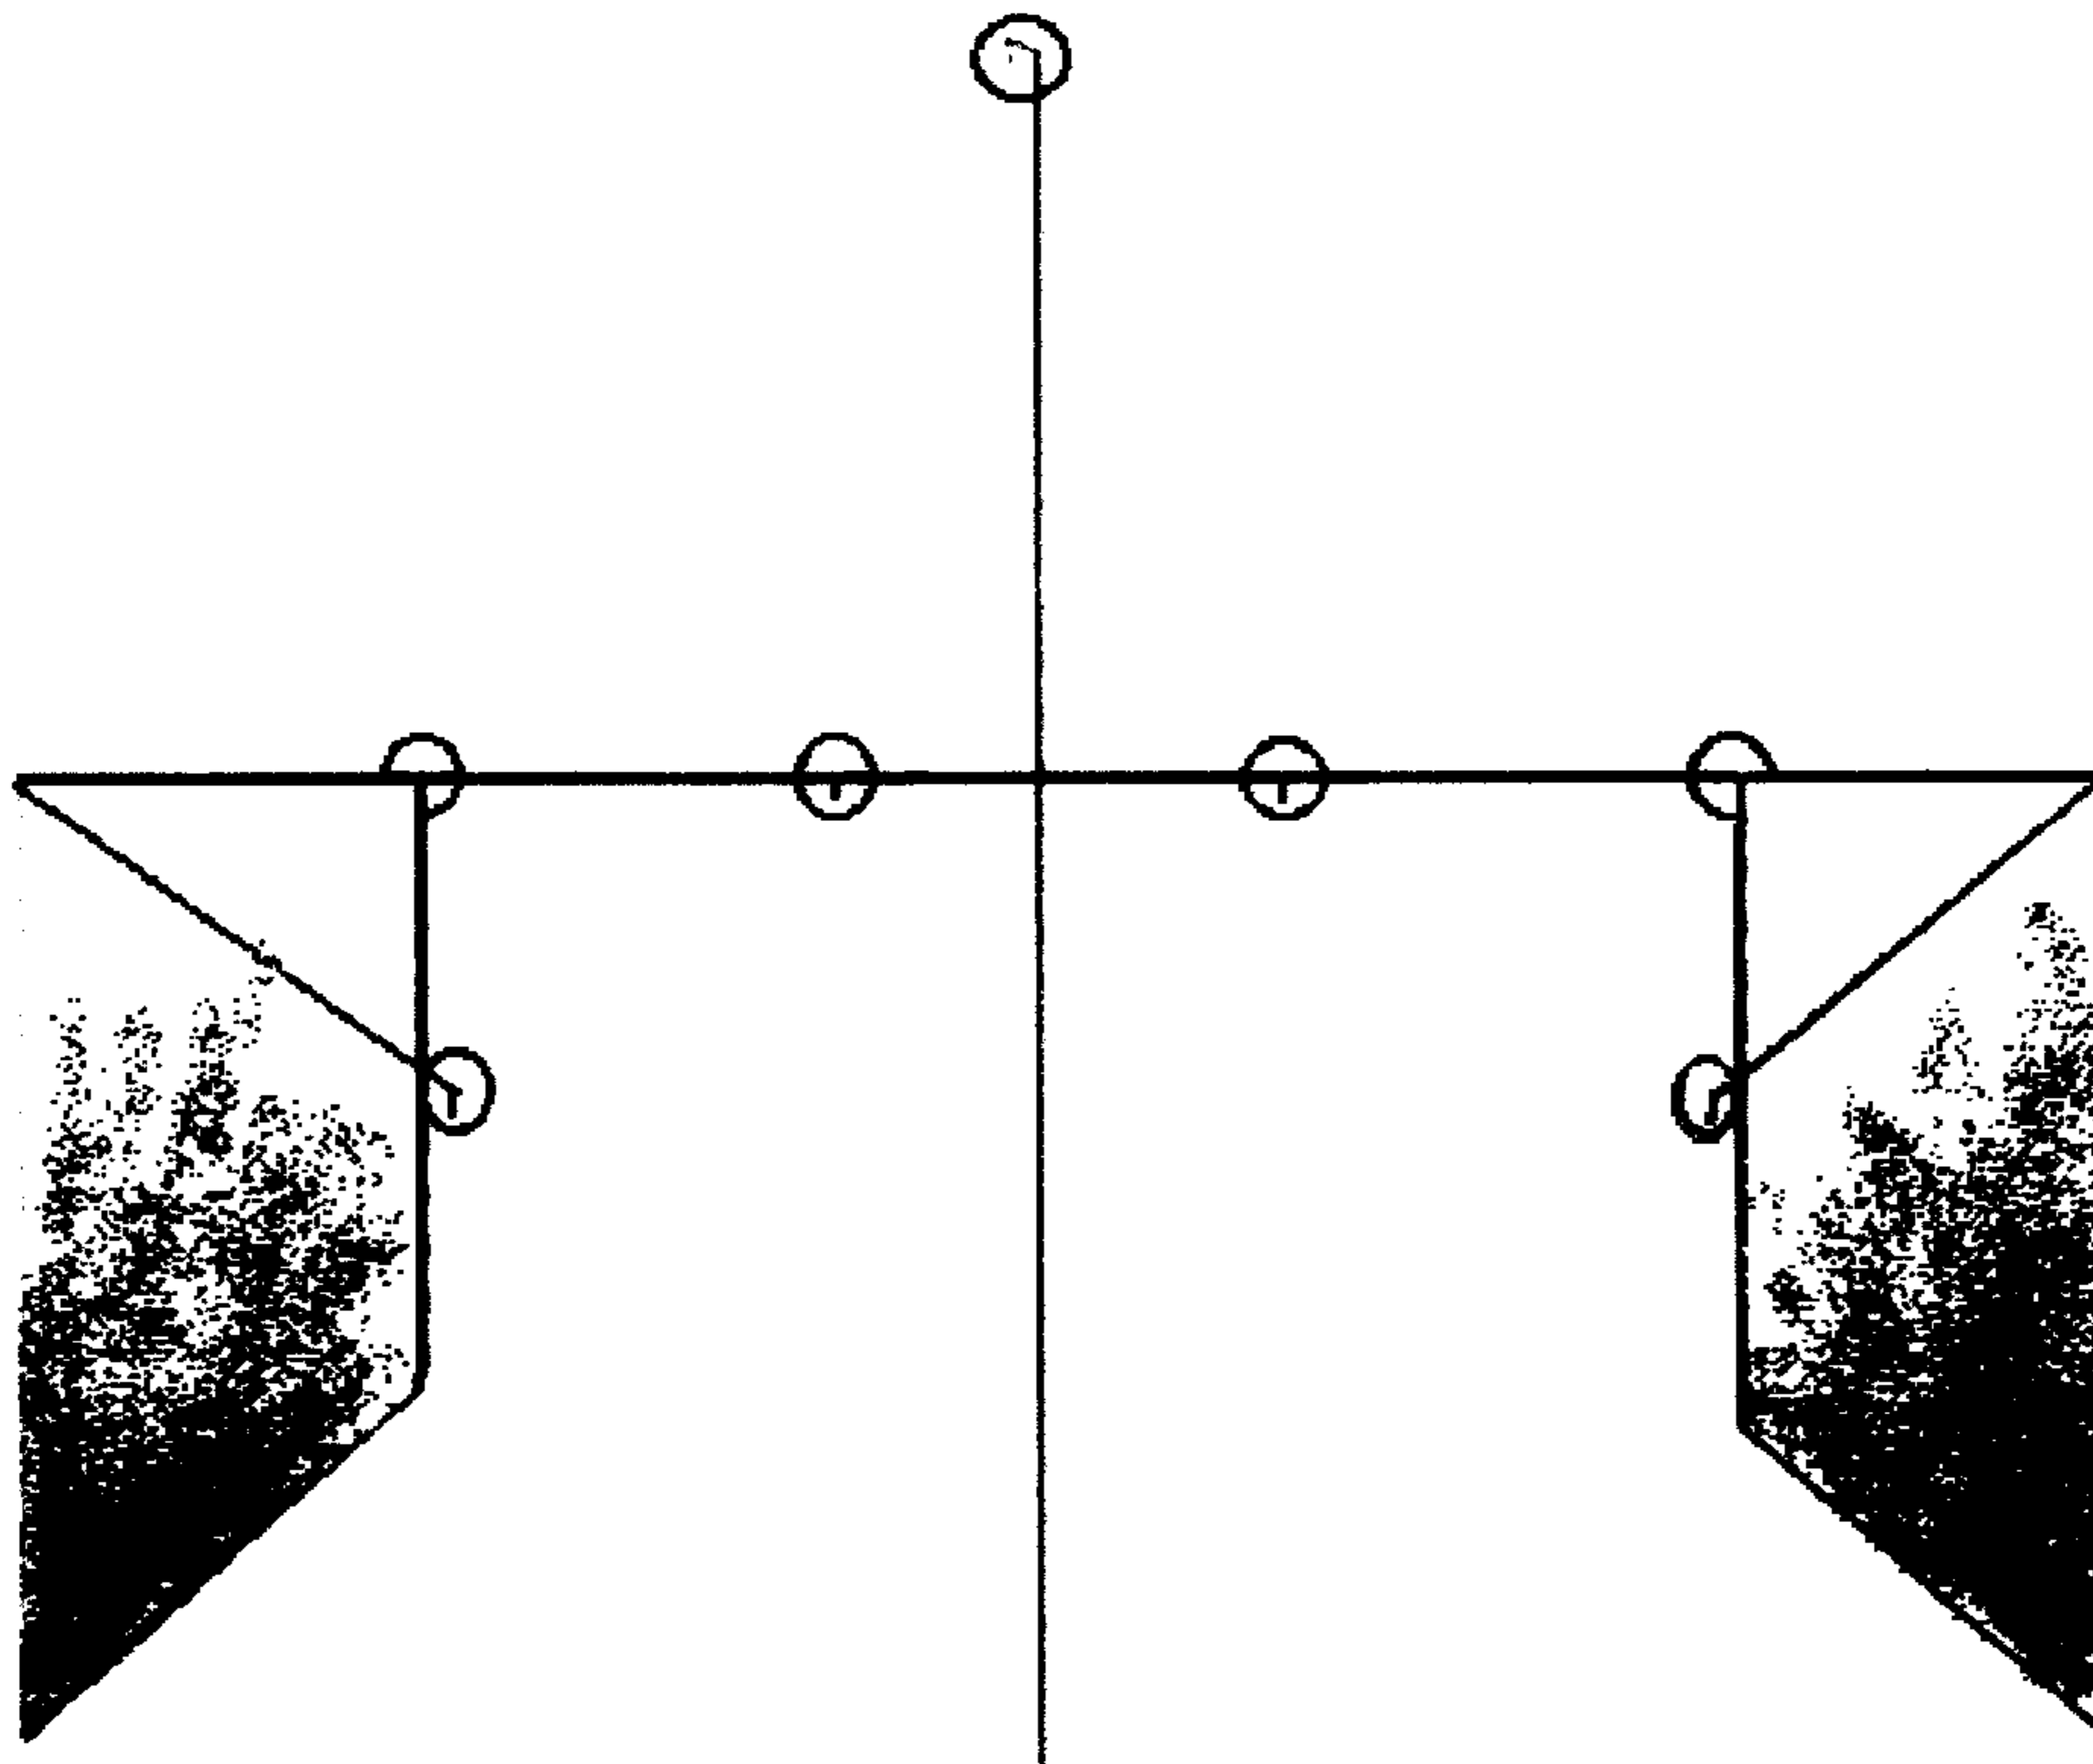

FIG. 7 is the right side elevational view of the vertical two-player field.

FIG. 8 is the left side elevational view of the vertical two-player field.

FIG. 9 is the full front elevational view showing how the screen is split into four playing fields; and,

FIG. 10 is a side elevational view of the four player split screen.
